

Sumo Logic Company Contributor License Agreement

Thank you for your interest in Sumo Logic, Inc. ("**Sumo Logic**"). To clarify the intellectual property license granted with Contributions from any person or entity, Sumo Logic must have a Contributor License Agreement ("**CLA**") that has been signed by each Contributor and agreed to the terms below. The CLA is for your protection as a Contributor and the protection of Sumo Logic. The CLA does not change your rights to use your own Contributions for any other purpose. This CLA allows an entity ("**Company**") to submit Contributions to Sumo Logic, to authorize Contributions submitted by its designated employees to Sumo Logic, and to grant copyright and patent licenses thereto.

By signing this Contributor License Agreement, you understand and agree that this project and contributions to it are public and that a record of the contribution (including all personal information you submit with it, including your full name and email address) is maintained indefinitely and may be redistributed consistent with this project, compliance with the open source license(s) involved, and maintenance of authorship attribution.

1. Definitions. "**You**" (or "**Your**") means the legal entity that is making this CLA with Sumo Logic and all other entities that control, are controlled by, or are under common control with that entity (and the then-current employees, agents, or other persons authorized by either You or such other entities to make submissions). For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity. "**Contribution**" means the code, documentation or other original works of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You (including by Your then current employees or agents, or other persons authorized by You to make submissions) to Sumo Logic for inclusion in, or documentation of, any of the projects owned or managed by Sumo Logic or any third party that is managing a project to whom Sumo Logic directly contributes ("**Work**"), where "submitted" means any form of electronic, verbal, or written communication sent to Sumo Logic or its representatives, including communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Sumo Logic for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."
2. Grant of Copyright License. You hereby grant to Sumo Logic and to recipients of software distributed by Sumo Logic a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative and collective works of, publicly display, publicly perform, transmit, distribute, sublicense and otherwise practice Your Contributions and such derivative or collective works. If Your license grant is ineffective for any reason, You irrevocably waive and covenant to not assert any copyright and related moral rights You may have against Sumo Logic, its successors in interest, and any Sumo Logic direct or indirect licensees, pertaining to the reproduction, preparation of derivative or collective works, public display, public performance, transmission, distribution, sublicense or other practice of a Contribution.
3. Grant of Patent License. You hereby grant to Sumo Logic and to recipients of software distributed by Sumo Logic a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise practice the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by

Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this CLA for that Contribution or Work hereby terminate as of the date such litigation is filed.

4. Your Representations. You represent that you are legally entitled to grant the above licenses. You represent further that each then-current employee, contractor or other person designated by You and listed on Schedule A (or in a subsequent written modification to that Schedule) is authorized to submit Contributions on behalf of the Company. You represent that each of Your Contributions is Your original creation (see Section 6 for submissions on behalf of others).
5. Support Not Required; Disclaimer. You are not expected or required to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Except as provided otherwise in any section of this Agreement, or as required by applicable law or otherwise agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON- INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
6. Third-Party Submissions. If You want to submit work that is not Your original creation, You may submit it to Sumo Logic by identifying it and the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]". You represent and warrant that You have sufficient rights to contribute such work as a Contribution under this Agreement.
7. Notification Obligation. You will notify Sumo Logic of any facts or circumstances of which you become aware that would make the representations in this CLA inaccurate in any way. You will notify Sumo Logic when any change is required to the list of designated employees, contractors or other persons authorized to submit Contributions on behalf of the Company.
8. No Compensation. No compensation will be paid by Sumo Logic in exchange for Your Contribution. Sumo Logic is under no obligation to post, use or distribute any Contribution, and may remove any Contribution from any of its repositories at any time in Sumo Logic's sole discretion.
9. Entire Agreement. This Agreement constitutes the entire agreement between You and Sumo Logic with respect to the subject matter hereof and supersedes and merges all prior proposals, understandings and contemporaneous communications. This Agreement may not be modified except by written agreement of both parties.
