

# iMac

Before using iMac, review the *iMac Getting Started Guide* at [support.apple.com/guide/imac](https://support.apple.com/guide/imac). Retain documentation for future reference.

## Safety and Handling

See "Safety, handling and regulatory information" in the *iMac Getting Started Guide*.

## Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at [apple.com/au/sound](https://apple.com/au/sound).

## Apple Magic Mouse Class 1 Laser Information

The Apple Magic Mouse is classified as a Class 1 Laser product per IEC 60825-1 Ed. 3. This device complies with 21 CFR 1040.10 and 1040.11, except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated 8 May 2019. Caution: This device contains one or more lasers. Use other than as described in the user guide, repair or disassembly may cause damage, which could result in hazardous exposure to infrared laser emissions that are not visible. This equipment should be serviced by Apple or an authorised service provider.

**CLASS 1 LASER PRODUCT**

## Power

**WARNING:** Your AC cord has a three-wire grounding plug (a plug that has three connections, one of which is for safety earth ground). This plug is intended to be used with a grounded AC power point. If you are unable to insert the plug into a power point because the power point isn't grounded, or if there is no ground connection in the power point, contact a licensed electrician to replace the power point with a properly grounded one. Do not defeat the purpose of the grounding plug.

## Regulatory Information

Regulatory certification information is available on device. Choose Apple menu  > About This Mac, then click Regulatory Certification. Additional regulatory information is in "Safety, handling and regulatory information" in the *iMac Getting Started Guide*.

## Singapore

Complies with  
IMDA Standards  
DB00063

## ENERGY STAR® Compliance

As an ENERGY STAR partner, Apple has determined that standard configurations of this product meet the ENERGY STAR guidelines for energy efficiency. The ENERGY STAR program is a partnership with electronic equipment manufacturers to promote energy-efficient products. Reducing the energy consumption of products saves money and helps conserve valuable resources.

This computer is shipped with power management enabled, with the computer set to sleep after 10 minutes of user inactivity. To wake your computer, click the mouse or trackpad button or press any key on the keyboard. For more information about ENERGY STAR, visit [energystar.gov](http://energystar.gov).

### Disposal and Recycling Information

The symbol above means that, according to local laws and regulations, your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure it is recycled in a manner that protects human health and the environment. For information about Apple's recycling program, recycling collection points, restricted substances and other environmental initiatives, visit [apple.com/au/environment](http://apple.com/au/environment).

### Built-in Batteries

Your peripherals come with integrated lithium-ion batteries. The built-in battery should only be replaced or repaired by a trained technician to avoid battery damage, which could cause overheating, fire or injury. Repairs performed by untrained individuals or using non-genuine Apple parts may affect the safety and functionality of the device. The built-in battery must be recycled or disposed of separately from household waste. For information about Apple lithium-ion batteries, go to [apple.com/au/batteries/service-and-recycling](http://apple.com/au/batteries/service-and-recycling).

## **Software Licence Agreement**

Use of this computer constitutes acceptance of the Apple and third-party software licence terms found at [apple.com/au/legal/sla](http://apple.com/au/legal/sla).

### **Apple One-Year Limited Warranty Summary**

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, or damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorised Service Provider — available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international delivery charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at [apple.com/au/legal/warranty](http://apple.com/au/legal/warranty) and [support.apple.com/en-au](http://support.apple.com/en-au), if you submit a valid claim under this warranty, Apple will either repair, replace or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For Australian Consumers: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Apple Pty Ltd, PO Box A2629, Sydney South, NSW 1235. Tel: 133-622.
