THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation of the European Parliament and of the Council establishing the Programme for single market, competitiveness of enterprises, including small and medium-sized enterprises, and European statistics and repealing Regulations (EU) No 99/2013, (EU) No 1287/2013, (EU) No 254/2014, (EU) No 258/2014, (EU) No 652/2014 and (EU) 2017/826 [Single Market Programme Regulation to be adopted],

Whereas:

- (1) The Programme for single market, competitiveness of enterprises, including small and medium-sized enterprises, and European statistics (Single Market Programme) aims at supporting improvements to the functioning of the internal market, the competitiveness of industry, especially micro, small and medium-sized enterprises (SMEs) through protection and empowerment of consumers, support to law making, standard setting and the enforcement of Union law, digitalisation of services and business operations, facilitation of market access, international cooperation especially in the areas of company law and contract and extra-contractual law, anti-money laundering, free movement of capital, financial services and competition, for the area of plants, animals, food and feed, and the programming and financing framework for the development, production and dissemination of European statistics.
- (2) In order to implement the Single Market Programme it is necessary to administer and ensure proper enforcement of the current *acquis* for the internal market, improve the legislation in force in that field and prepare the internal market for new challenges and to ensure that consumers are adequately represented and protected.
- (3) The Single Market Programme is financed from the appropriations entered in the budget headings 'Operation and development of the internal market of goods and services', 'market surveillance', 'Internal market governance tools', 'Taxud regulatory work support – Implementation and development of the internal market', 'Company

law’, ‘Competition policy for a stronger union in the digital age’, ‘Implementation and development of the internal market for financial services’, ‘Improving the competitiveness of enterprises, particularly SMEs, and supporting their access to markets’, ‘European standardisation’, ‘International financial reporting and auditing standards’, ‘Ensuring high level of consumer protection and product safety’, ‘The participation of end users in financial services policy making’, ‘Producing and disseminating high quality statistics in Europe’ and ‘Contributing to a high level of health and welfare for humans, animals and plants’.

- (4) The amounts related to the appropriations entered in the budget lines provided for in Article 2, first paragraph, of this Decision include contributions from countries of the European Free Trade Association (EFTA) that are members of the European Economic Area (EEA); for Budget line 03.0205 “Producing and disseminating high quality statistics in Europe”, the amount also includes other external assigned revenues based on the Agreement between the European Community and the Swiss Confederation on cooperation in the field of statistics<sup>2</sup>, with this financial contribution only supporting eligible actions implementing the specific objective referred to in the relevant provisions of the [Single Market Programme Regulation to be adopted].
- (5) The ‘European Innovation Council and SME Executive Agency’ established by Commission Implementing Decision C(2021) 953 final, is to be entrusted with management and programme implementation tasks relating to the competitiveness of enterprises, particularly SMEs, supporting their access to markets; European standardisation (excluding in relation to financial and non-financial reporting and auditing standards as well as the promotion of innovation and development of best practices in corporate reporting) and Consumer protection. The European Health and Digital Executive Agency is to be entrusted with management and programme implementation tasks relating to the food chain, animal health and animal welfare, and relating to plant health and plant reproductive material.
- (6) In order to ensure the implementation of the Single Market Programme, it is necessary to adopt a multi-annual financing decision, which constitutes the work programmes for 2021 and where relevant 2022 set out in Annexes I to V. This financing decision needs to be multi-annual only to cover the actions under budget line 03.0202, which is using commitments in instalments for 2021 to 2024 whilst all other actions in the work programmes in the annexes remain annual.
- (7) The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures<sup>3</sup> adopted pursuant to Article 215 of the Treaty.
- (8) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants.
- (9) Pursuant to Article 62(1)(c) of Regulation (EU, Euratom) 2018/1046 (‘the Financial Regulation’) indirect management is to be used for the implementation of parts of the programme.
- (10) The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial

To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of the Financial Regulation before a contribution agreement can be signed.

- (11) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (12) In order to allow for flexibility in the implementation of the work programme, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (13) In accordance with in the relevant provisions of the [Single Market Programme Regulation to be adopted] and of Article 193(2), second subparagraph, point (a), of the Financial Regulation and by way of derogation from Article 193(4) of that Regulation, if duly justified, activities and costs in grants financed under this decision should be eligible from the beginning of the 2021 financial year, even if implemented and incurred before the grant application was submitted. The same rules apply, *mutatis mutandis*, to the eligibility of activities and costs under indirect management.
- (14) Annex II concerning the work programme implementing the specific objectives referred to in the relevant provisions of of the [Single Market Programme Regulation to be adopted] is subject to a positive opinion from the Committee established for this purpose. Annex III, concerning the work programme implementing the specific objectives referred to in the relevant provisions of that Regulation is subject to consultation of the Committee established for this purpose. Annex IV concerning the work programme implementing the specific objectives referred to in the relevant provisions of that Regulation is subject to a positive opinion by the Standing Committee on Plants, Animals, Food and Feed established by Article 58(1) of Regulation (EC) No 178/2002<sup>4</sup>. The European Statistical System Committee has been consulted on the measures provided for in annex V in accordance with Article 17 of Regulation (EC) 223/2009.
- (15) To ensure the adoption of the work programmes before the adoption of the [Single Market Programme Regulation to be adopted], the work programme implementing the specific objective of improving the competitiveness of enterprises, particularly SMEs was submitted to an expert group of representatives of Member States for an informal consultation. The work programme implementing the specific objective of promoting consumers interests and ensuring a high level of consumer protection and product safety was submitted to an expert group of representatives of Member States for an informal consultation. The work programme implementing the specific objective of contributing to a high level of health for humans, animals and plants along the food chain and in related areas was submitted to the Standing Committee on Plants, Animals, Food and Feed established by Article 58(1) of Regulation (EC) No 178/2002 for an informal consultation. The work programme implementing the specific objective of producing and communicating high quality statistics on Europe in a timely, impartial and cost-efficient manner, through enhanced partnerships within the European Statistical System was submitted to the European Statistical System
