

YouGov Survey: Major League Baseball: Rules and Mast

Sample 1000 U.S. Adult Citizens
Conducted April 5 - 7, 2023
Margin of Error ±3.3%

1. Have you ever had a pet?

Yes, I currently have one	57%
Yes, but I don't currently have one	29%
No	14%

2. Which of the following types of pet have you ever had? Select all that apply.

Among people who have ever had a pet

Dog	77%
Cat	59%
Bird	23%
Fish	34%
Reptile	10%
Rabbit	15%
Guinea Pig	10%
Other type	7%

3. How would you describe your emotional connection with animals?

Very strong	48%
Somewhat strong	31%
Not very strong	12%
Not strong at all	5%
Not sure	3%

4. In the following scenario, which would you save?

One boat containing 1 person	70%
One boat containing 1 dog	14%
Not sure	16%

5. In the following scenario, which would you save?

One boat containing 1 person	64%
One boat containing 10 dogs	19%
Not sure	16%

6. In the following scenario, which would you save?

One boat containing 1 person	61%
One boat containing 100 dogs	23%
Not sure	16%

YouGov Survey: Major League Baseball: Rules and MasYouGov

7. In the following scenario, which would you save?

One boat containing 1 person	85%
One boat containing 1 pig	7%
Not sure	8%

8. In the following scenario, which would you save?

One boat containing 1 person	80%
One boat containing 10 pigs	11%
Not sure	9%

9. In the following scenario, which would you save?

One boat containing 1 person	80%
One boat containing 100 pigs	10%
Not sure	10%

10. Which of the following is NOT part of your regular diet? Select all that apply.

Beef	12%
Pork	20%
Chicken	9%
Fish	20%
Shellfish	38%
Dairy	12%
Eggs	10%
All of the above are part of my diet	39%

11. Do you currently know anyone who is a vegetarian, that is, a person who does not eat meat? Select all that apply.

Yes, me	7%
Yes, a family member	19%
Yes, a friend	30%
None of the above	41%
Not sure	9%

12. Have you ever been a vegetarian?

Yes, I currently am one	7%
Yes, I have been one before	10%
No, I have never been one	83%

13. Which of the following are reasons why you personally were or are a vegetarian? Select all that apply.

Asked of people who have ever been a vegetarian

Moral reasons	29%
Environmental concerns	27%
Health benefits	55%
Food safety concerns	31%
Weight management	30%
Cost	21%
Allergies	19%
Religious reasons	17%
Cultural reasons	18%
Personal taste	38%
Some other reason	3%
Not sure	2%

14. Which of the following would you say was or is the main reason why you were or are a vegetarian?

Asked of people who have ever been a vegetarian

Moral reasons	12%
Environmental concerns	7%
Health benefits	23%
Food safety concerns	5%
Weight management	12%
Cost	5%
Allergies	5%
Religious reasons	5%
Cultural reasons	3%
Personal taste	19%
\$other_reason	2%
Not sure	2%

YouGov Survey: Major League Baseball: Rules and Mast

15. Which, if any, of the following reasons do you personally find compelling in terms of reasons why you might consider becoming a vegetarian? Select all that apply.

Asked of people who have never been a vegetarian

Moral reasons	10%
Environmental concerns	15%
Health benefits	31%
Food safety concerns	15%
Weight management	20%
Cost	11%
Allergies	16%
Religious reasons	6%
Cultural reasons	4%
Personal taste	16%
Some other reason	2%
I don't find any reasons compelling	40%
Not sure	5%

16. Which of the following best describes your view on the morality of eating animals under normal circumstances? Is it... ?

Always acceptable	35%
Usually acceptable	42%
Usually unacceptable	8%
Always unacceptable	4%
Not sure	11%

17. How important would you say the following is in your consideration of whether it is morally acceptable for people to eat a certain species of animal?

	Very important	Somewhat important	Not important	Not sure
How much meat a single animal produces	27%	32%	25%	16%
The animal's intelligence	31%	25%	26%	18%
Whether the animal is rare or endangered	61%	20%	9%	11%
Whether the animal is commonly kept as a pet	48%	26%	13%	13%
The environmental impact of farming the animal	32%	33%	21%	14%
The nutritional value of the animal	40%	33%	15%	12%
Whether the animal is commonly kept as livestock	33%	29%	24%	13%
Genetic similarities between the animal and humans	26%	29%	25%	20%
Whether the animal frequently carries diseases	57%	22%	9%	12%
The animal's capacity for pain	34%	25%	21%	19%
The animal's life expectancy	26%	23%	33%	18%
Sentimental attachment to the animal	45%	25%	17%	13%
The animal's capacity for self-awareness	32%	28%	21%	18%

18. How important would you say the following is in your consideration of whether it is morally acceptable for people to eat a certain animal?

	Very important	Somewhat important	Not important	Not sure
Whether the animal has clean and comfortable living conditions	48%	29%	12%	11%
Whether the animal has access to the outdoors	38%	31%	18%	13%
Whether the animal is fed a natural and balanced diet	41%	34%	14%	11%
Whether the animal is slaughtered in a humane way	53%	27%	11%	9%
Whether the animal is given artificial growth hormones	48%	27%	12%	13%
Whether the animal is raised in a way that minimizes environmental damage	38%	31%	18%	13%

19. Setting aside your own dietary preferences, do you think it is morally acceptable or unacceptable for other people to eat the following animal under normal circumstances?

Respondents were asked about a random sample of 8 of the 16 animals

	Acceptable	Unaccept- able	Not sure
Cat	20%	70%	10%
Chicken	86%	7%	7%
Chimpanzee	14%	75%	11%
Cow	81%	11%	7%
Deer	71%	20%	9%
Dog	18%	73%	9%
Dolphin	24%	62%	14%
Duck	73%	17%	10%
Elephant	17%	69%	14%
Salmon	79%	12%	8%
Guinea pig	24%	60%	16%
Horse	29%	55%	16%
Octopus	59%	24%	17%
Pig	78%	11%	10%
Rabbit	65%	22%	13%
Sheep	67%	20%	13%

20. Imagine living on a small farm where you have to raise, care for, and eventually slaughter the animals you eat. Would you consume meat if you had to do all the work and witness the entire process?

Yes, I would	48%
No, I would not	32%
Not sure	20%

21. Consider a future where lab-grown meat and plant-based meat alternatives are indistinguishable from animal meat in terms of taste, nutrition, and cost. In this scenario, would you support or oppose the farming and consumption of animals?

Support	40%
Oppose	31%
Not sure	29%

22. In the scenario described above, would you personally consume animals?

Yes	41%
No	33%
Not sure	26%

23. How would you describe your experiences with the following?

	I regularly consume this	I've consumed this, but don't regularly	I've never consumed this, but would be open to trying it	I've never consumed this and don't want to try it	Not sure
Plant-based meat alternatives	7%	34%	25%	27%	8%
Insect-based meat alternatives	3%	8%	20%	59%	10%
Lab-grown meat	3%	8%	33%	45%	11%

Interviewing Dates	April 5 - 7, 2023
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.208 to 4.004, with a mean of 1 and a standard deviation of 0.402.
Number of respondents	1000
Margin of error	± 3.3% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	57 questions not reported.

YouGov Survey: Vegetarianism and Eating Meat

April 5 - 7, 2023 - 1000 U.S. adult citizens

Interviewing Dates	April 5 - 7, 2023
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.208 to 4.004, with a mean of 1 and a standard deviation of 0.402.
Number of respondents	1000
Margin of error	± 3.3% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	57 questions not reported.
