

PUBLIC NOTICE
The Maryland Department of Natural Resources
Fishing and Boating Services
CHESAPEAKE BAY EASTERN SHORE - Construction Zone around the Bay Bridge

The Secretary of the Department of Natural Resources proposes to amend Regulation .01 under COMAR 08.18.07 Chesapeake Bay. The purpose of this action is to establish a 6-knot speed limit in the Chesapeake Bay for the area surrounding the construction site of the Maryland Transportation Authority's Eastbound Bay Bridge Deck Replacement Project. Comments concerning this regulation will be accepted through June 5, 2023. Please visit the Boating Regulations webpage for all information at https://dnr.maryland.gov/boating/Pages/regulations/changes_boating.aspx#cbescz
