

# CEDARVILLE STATE FOREST & ROSARYVILLE STATE PARK

## OCTOBER 2024 CALENDAR

### PROGRAM AND EVENT DETAILS

**Creature Corner:** Drop by the campground amphitheater each Saturday in October, 5-6 p.m., to learn about native wildlife that can be found around the park.

**Chesapeake Natives Fall Festival:** Join us from 10 am- 3pm for Fall Festival! There will be plant sales, a food truck, community groups, kids activities, a food drive, and more! Chesapeake Natives is a nonprofit native plant nursery located at Rosaryville State Park. Their native plants are grown onsite from locally-gathered native seed. Chesapeake Natives volunteers will be available at the sale to help you find the right native plants for your space. Please note, the entrance to the nursery is at 9640 Rosaryville Road and is not accessible through the main state park entrance on Route 301. More information, including a plant list, will be shared closer to the sale date. Please reach out to [info@chesapeakenatives.org](mailto:info@chesapeakenatives.org) if you have any questions.

**Cedarville's campground closes for the season on October 27th!**
