Model ECI

Where? In principle, if no restrictions exist, the Model ECI will take place in Göttingen, Germany.

(Travel and accommodation expenses will be covered by the Project)

To make the efforts of the Online Course on ECI worthwhile, you have the chance to emulate a European Citizens' Initiative.

Together with tutors and your fellow European students, we will spend five days working together on a model ECI. The focus is on working together as a European team – just like in a real ECI.

Whether you can also earn credits for your participation on the project depends on your university or faculty. Ask your local team about this!

At the end of the 'ECI: From A to Z' Project you will get a Certificate!
