EMODnet Open Conference 2021: Registration is now open!

The banner features a dark blue background with a stylized ocean floor. At the top, there are icons for Bathymetry (a ship), Human Activities (wind turbines), and Physics (a globe). Below these, there are icons for Biology (a fish), Chemistry (a flask), and Geology (a rock). The EMODnet logo is prominently displayed in the center. To the right, the text reads: "Connecting Open Data, Delivering Marine Knowledge: A Vision for 2030." Below this, the conference details are listed: "EMODnet Open Conference 14-16 June 2021" and "ONLINE EVENT". A yellow box on the left contains the text: "An EMODnet Jamboree, with partner meetings of the 7 thematic and data ingestion, upon invitation, will take place on 17-18 June 2021." At the bottom right, there is a Twitter icon with the hashtag #EMODnetConference and the website URL www.emodnet.eu/en/conference2021.

Full registration to the **EMODnet Open Conference (14-16 June 2021)** and its **virtual exhibition** is now open!

This **online event** will provide a unique opportunity to bring together EMODnet partners, data providers and users from Europe and beyond, to discuss the value of EMODnet data, data products and services, celebrate existing and emerging partnerships, as well as co-design EMODnet's next phase to 2030 and beyond.

High-level speakers from various fields, backgrounds and experiences will take part in the conference composed of **plenary sessions, panels, community pitches and group discussions**.

An online platform, with a **virtual exhibition**, will showcase EMODnet highlights and feature more than 60 community posters, with the possibility to organize 1:1 meetings with other participants and a dedicated space to present your products, services and special requests.

[REGISTER NOW! *](#)

*If you have already filled the short pre-registration form online since March 2021, we invite you to complete the full registration form now accessible to create your participant profile. Please click on "Register now" above.

Mr Paul Rose, Master of Ceremonies of the EMODnet Open Conference 2021

We are delighted to introduce our Master of Ceremonies, [Mr Paul Rose](#), a well-known public figure in the field of environment and exploration, more especially in remote regions of the planet. National Geographic Pristine Seas Expedition leader, Explorer, Broadcaster and Science support authority, Mr Rose is also an experienced public speaker. It is an honor that he has accepted to contribute to the EMODnet Open Conference 2021 as Master of Ceremonies!

On an amazing journey with the European Atlas of the Seas!

Online Ocean Literacy workshop on 16 June 14:00 CEST

Organised in the context of the EMODnet Open Conference 2021, this workshop will provide participants with the opportunity to learn about many different aspects of the [European Atlas of the Seas](#), **from the story behind map layers to how the Atlas can be used in education and ocean literacy.**

The workshop is open to everyone, whether you are just discovering the Atlas or whether you are already a user looking for further information!
