1   All features of this system require an active Internet connection and the use of a supported browser.

2   Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect

3   For P20570, print permanence in testing. Wilhelm Imaging Research lightfastness ratings are based on accelerated testing of prints on specified media, displayed indoors, under glass. Actual print stability will vary according to media, printed image, display conditions, light intensity, humidity and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or UV-absorbing acrylic and protect them from prolonged high-humidity environments. Visit www.wilhelm-research.com for the latest information.

4   Versus previous-generation UltraChrome HD Ink.

5   Resin-coated inkjet papers only.

6   Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.

7   99% coverage of PANTONE PLUS FORMULA GUIDE solid-coated palette based on Epson Proofing Paper White Semimatte printed with the Epson Driver— for SureColor P7570, P9570 and P20570, at 2400 x 1200 dpi. PANTONE coverage may vary when printed under other conditions.

8   Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary.

9   Based on scans at 300 dpi in Black-and-White or Color Mode.

10 Scanning to color TIFF files is not supported.

11 SureLab D570 comes with a 3-year limited warranty.

12 Products come with a 1-year limited warranty (D570 comes with 3-year warranty) with the option to purchase extended service plans up to a total of 5 years of continuous coverage. Extended service plan can be purchased at any time that you are covered under an Epson limited warranty or Epson extended service plan to avoid product inspection fees.

PRODUCT FEATURES

SureColor P700/P900
- Advanced 10-channel MicroPiezo AMC™ printhead for consistent print delivery, speed and accuracy
- No Photo and Matte Black Ink switching required
- Carbon Black Driver Technology dramatically increases Dmax for stunning density on glossy and metallic glossy media
- Prints color-managed files directly from computers and iOS® devices[2]
- Accommodates Epson and third-party professional roll and sheet media up to 1.5 mm thick
- 4.3" customizable touchscreen, wireless connectivity and interior LED light
- Compact design—23 percent smaller than our previous generation
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor P5370
- Advanced 10-channel MicroPiezo AMC printhead for the finest exhibition-quality prints
- Violet Ink delivers an extended range of blue hues[4]
- No Photo and Matte Black Ink switching required
- High-capacity 200 mL ink cartridges for increased productivity
- Extensive media handling—includes built-in roll support with auto cutter and high-capacity 17" x 22"[5] sheet cassette
- 4.3" color LCD touchscreen for easy setup, control and maintenance
- Ethernet, USB and Wi-Fi® connectivity
- Carbon Black Mode provides deep black density with exceptional contrast on glossy media
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor P6570D/P6570DE/P6570E
- 12-channel PrecisionCore Micro TFP® 2.6" printhead
- 6 individual production-capacity ink cartridges—up to 700 mL each
- Dual-roll auto loading and switching with built-in take-up reel
- Adobe® Embedded Print Engine included in P6570D; not available in P6570DE and P6570E
- Compatible with most leading RIP and workflow software
- Optional internal 960GB SSD storage drive
- Optional production print stacker—coming soon
- Print directly from USB thumb drives, tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor P8570D/P8570DL
- 12-channel PrecisionCore Micro TFP 2.6" printhead
- 6 individual production-capacity ink cartridges—up to 700 mL each
- High-capacity 6-color, 1.6 L ink pack system to maintain long production uptime (P8570DL only)
- Dual-roll auto loading and switching with built-in take-up reel
- Adobe Embedded Print Engine included
- Compatible with most leading RIP and workflow software
- Optional internal 960GB SSD storage drive
- Optional production print stacker—coming soon
- Print directly from USB thumb drives, tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor P7570/P9570
- 12-channel PrecisionCore Micro TFP 2.6" printhead
- Real-time Photo and Matte Black Ink switching
- Class-leading color gamut with up to 99 percent coverage of the PANTONE® PLUS FORMULA GUIDE solid-coated standard[7]
- High-capacity 12-color, 1.6 L ink pack system
- Black Enhance Overcoat Driver Mode for remarkably high Dmax on glossy papers
- New print engine with SoC (System on a Chip), user maintenance functions and customizable 4.3" touchscreen
- Compatible with most leading RIP and workflow software
- Includes Epson Edge® Print Pro RIP software
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor P20570
- 12-channel PrecisionCore Micro TFP 2.6" printhead
- Real-time Photo and Matte Black Ink switching
- Class-leading color gamut with up to 99 percent coverage of the PANTONE PLUS FORMULA GUIDE solid-coated standard[7]
- 12 individual production-capacity ink cartridges—up to 700 mL each
- Dual-roll auto loading and switching with built-in take-up reel
- Black Enhance Overcoat Driver Mode for remarkably high Dmax on glossy papers
- New print engine with interior LED, user maintenance functions and customizable 4.3" touchscreen
- Compatible with most leading RIP and workflow software
- Optional internal 320GB print server, Adobe PS engine, take-up reel (P9570 only) and SpectroProofer™
- Industry-leading print permanence—up to 200 years for color prints and 400 years for black-and-white prints[3]

SureColor T2170
- Produce accurate A1/D-size prints in 43 seconds[8]
- Precise, sharp detail—up to 2400 dpi
- High-capacity cartridges of up to 50 mL color and 80 mL Black
- Print from tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Compact, award-winning design—ultra small footprint and sleek, minimal design

SureColor T3170/T5170
- A1/D-size prints with T3170 in as little as 34 seconds; with T5170, in as little as 31 seconds[8]
- Precise, sharp detail—up to 2400 dpi
- High-capacity cartridges of up to 50 mL color and 80 mL Black
- Print from tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Compact, award-winning design—ultra small footprint and sleek, minimal design

SureColor T3170M/T5170M
- Compact design with integrated 24"/36" 600 dpi scanner to copy, scan, and share
- Scan, copy and share to USB drives, network folders, email and FTP servers
- Create multipage PDFs; enlarge/reduce copies with line precision enhancement
- A1/D-size prints with T3170M in as little as 34 seconds; with T5170M, in as little as 31 seconds[8]
- Precise, sharp detail—up to 2400 dpi
- Print from tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Compact, award-winning design—ultra small footprint and sleek, minimal design

SureColor T3170x
- Cartridge-free printing—high-capacity ink bottles with auto-stop for easy, mess-free filling
- A1/D-size prints in as little as 34 seconds[8]
- Includes two full bottle sets of ink to produce a substantial number of prints
- Precise, sharp detail—up to 2400 dpi
- Versatile media handling—accommodates rolls and sheets up to 24" wide and sheets up to 11" x 17" through the Auto Sheet Feeder
- Print directly from tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]

SureColor T3475/T5475
- A1/D-size prints in as little as 22 seconds[8]
- High-capacity replacement ink cartridges of up to 700 mL
- Built-in 4.3" LCD touchscreen
- Includes 2" or 3" user-adjustable roll media adapters
- Precise, sharp detail—up to 2400 dpi
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Space-saving design, with easy-to-access top-loading paper and front-loading ink

SureColor T5470M
- A1/D-size prints in as little as 16 seconds[8]
- Ultra compact design installs quickly and fits virtually anywhere
- Adobe Embedded Print Engine for fast processing of complex PDF files[**]
- Dual-roll productivity with automatic roll loading and switching for easy loading and unattended production printing[***]
- Up to 2400 x 1200 dpi
- High-capacity replacement ink cartridges of up to 700 mL for enhanced productivity
- Compatible with most leading RIP and workflow software
- Over 28 IT and security features
- Optional 960GB solid state memory drive
- Optional production print stacker—coming soon

SureColor T3770DE/T3770DR/T3770E/T5770DR/T5770D/T7770D/T7770DL
- Integrated 36" scanner to copy, scan, and share
- A1/D-size prints in as little as 22 seconds[8]
- High-capacity replacement ink cartridges of up to 700 mL
- High-capacity cartridges of up to 350 mL
- Built-in 4.3" LCD touchscreen
- Includes 2" or 3" user-adjustable roll media adapters
- Versatile printing options—easily print directly from USB thumb drives, tablets, smartphones and more[2] with integrated wireless plus router-free Wi-Fi Direct[6]
- Space-saving design, with easy access to front-loading ink and scanner with no additional footprint vs. single-function printers
- Integrated security features—help protect your information with advanced network security and encryption features

SureColor T5770DM/T7770DM
- Scan and copy wide documents with integrated 36" wide dual-light scanner to copy, scan, and share
- High-speed scanning to USB, mobile devices, PCs, network folders and more at speeds up to 10 ips (black-and-white) and 4.5 ips (color)[9]
- Adobe Embedded Print Engine for fast processing of complex PDF files
- Dual-roll productivity with automatic roll loading and switching for easy loading and unattended production printing[***]
- Up to 2400 x 1200 dpi
- High-capacity replacement ink cartridges of up to 700 mL for enhanced productivity
- Compatible with most leading RIP and workflow software
- Over 28 IT and security features
- Optional production print stacker—coming soon
- Included 960GB SSD memory drive

SureLab D570
- Ultra compact design—lightweight and portable, well-suited for on-site event photography and photo booths
- Low power consumption—energy efficient enough to be used with a user-provided portable battery
- Easily connect to the printer over Wi-Fi, Ethernet or USB
- High-capacity 70 mL ink bottles
- Prints single- and double-sided
- Prints glossy and luster sheets up to 4" x 6" in as little as 14 seconds[2]
- Easily connect to and control one or multiple printers over Wi-Fi, AirPrint®, Ethernet or USB
- Print directly from a mobile device[2] with Wi-Fi Direct® connection

SureLab D1070/D1070DE
- Up to 460 4" x 6", 300 5" x 7" and 165 8" x 10" prints per hour[1]
- High-capacity 250 mL ink packs that help reduce plastic waste compared to traditional cartridge systems
- Stackable design to fit into your individual environment and scale
- Supports scanning to PDF, JPEG and TIFF files[10]
- High-capacity 70 mL ink bottles
- Prints single- and double-sided
- Prints glossy and luster sheets up to 4" x 6" in as little as 16 seconds[2]
- Easily connect to and control one or multiple printers over Wi-Fi, AirPrint®, Ethernet or USB
- Print directly from a mobile device[2] with Wi-Fi Direct® connection
- Duplex feeder allows for double-sided printing for a variety of exciting applications[****]
