

Strategy 2030 Project Code of Conduct

In my appointment to the CEN and CENELEC Strategy 2030 project specified below, I commit to:

- Dedicate the agreed time and make active contributions according to my defined role on the project
- Divest myself of any national and company positions and pursue the interests of CEN and CENELEC in all my acts
- Comply with all legal and statutory obligations
- Act in accordance with the purpose, policies, and principles of CEN and CENELEC
- Behave ethically, including:
 - Declaring actual and potential conflicts of interest and managing them appropriately
 - Protecting confidential information
 - Avoiding and preventing any form of bribery or corruption
- Promote and enable all stakeholders to contribute equally
- Engage constructively and respectfully
