

EUROPEAN COMMISSION

Health and Food Safety Directorate General

sante.g.3(2023)796384

Standing Committee on Plants, Animals, Food and Feed
Section *Animal Health and Welfare*
15 - 16 February 2023

CIRCABC Link: <https://circabc.europa.eu/ui/group/55b2edd3-069e-40fd-ad4a-8b163f54ff1f/library/d36ff9ae-0fd1-41e0-8ee0-8fec085e3c37>

AGENDA

Section A **Information and/or discussion**

- A.01** General information by Member States.
- A.02** Information from Spain on sheep pox and goat pox. (DD)
- A.03** Review of EU guidelines related to African swine fever. (ZI)
- A.04** Information from the Member States will provide an update on the African swine fever epidemiological situation in their territories (SF)
Greece, Poland, Italy, the Czech republic
- A.05** Report on the African swine fever EUVET mission to Greece (SF)
The team leader of the EUVET mission to Greece will present the main findings and recommendations of the mission that took place on-the-spot, from 6 to 9 February 2023.
- A.06** Information in the bovine identification document (JD)
On request from a Member State, the Commission will provide its view on the information to be included in the bovine identification document, in particular with regard to the identity of the mother of a bovine
- A.07** Information from Member States on highly pathogenic avian influenza. (IDC)
Member States affected by highly pathogenic avian influenza outbreaks in poultry or captive birds will present details on the epidemiological situation with the disease and the measures taken to control and eradicate the disease.

A.08 Update on Early Warning System for HPAI (IDC)

EFSA will update on the progress on the development of the Early Warning System for HPAI.

A.09 Bluetongue map on the website of the Commission (PS)

The Commission has been making available on its website for information only a map with the circulating Bluetongue serotypes. The Commission intends to have in the publicly available map only the disease free status or approved eradication programmes as per CIR (EU) 2021/620.

A.10 Infection with SARS CoV 2 in minks and other animals of the family Mustelidae and in raccoon dogs: Scientific Opinion by EFSA and updated by the Commission on the latest reports received. (FB)

A.11 ADIS development and priorities for the future (FB)

Building up on the ADIS training and feedback session of 13-14 December 2022, definition of future priorities for ADIS development.

A.12 One Health Surveillance in Animals and the Environment (FB)

A.13 Prioritization for EU expenditure on co-financing veterinary programmes 2024. (FGR)

Section B **Draft(s) presented for an opinion**
