Start production off strong
with the HP Service Edge

Grow and thrive in the digital era by giving your business an early advantage. Tap into the power of the HP Service Edge and create a strong foundation for success.

OPTIMIZE OPERATIONS, MAINTENANCE, AND PRODUCTION

Whether you're looking to get up to speed quickly, perform maintenance on your own, or take full advantage of press features and functionality, HP PageWide Get Started Training Packages can get you there fast.

WHAT'S INCLUDED?

Training packages include six (6) weeks of comprehensive training, which include:

HP Operator Training—Qualifies operators to safely run the press, load jobs, and use HP Smart Tools to quickly ramp up production.

HP Maintenance Training—Equips your operators to perform basic maintenance, troubleshooting, and repairs, while giving your technicians the skills they need to perform advanced maintenance, troubleshooting, and repairs.

HP Ramp up Training—Reinforces press knowledge and best practices to take full advantage of press features and capabilities so that you can maximize productivity, efficiency, and uptime.

HOW DOES IT WORK?

All courses are instructor-led and take place either at your site or at one of our HP PageWide Training Centers in Corvallis, Oregon; San Diego, California; or Barcelona, Spain.

Training packages are available to customers with the HP PageWide Web Press T2XX HD series, HP PageWide Web Press T4XX HD series, and HP PageWide T11XX series.
