Pro Street Radials

Lakeville, Ind. - We would like to inform you that there will be a change in the Pro Street Radial Tire Part# 19100 - 28x9.50R15LT. The tire will be replaced with Part# 19070 - 27x9.50R15LT. It's important to note that the new tire will have the same specifications and measurements as the current one.

This change has been made to ensure that the tire size is compliant with the correct DOT nomenclature. The new tire size will adhere to the guidelines set by the DOT, making it easier to identify, classify and compare with other tires.

We would like to assure you that this change will not have any impact on the quality or performance of the tire. The Pro Street Radial Tire has been designed and tested to meet the highest standards of safety and performance.
