**General disclaimer on the synthesised text document**

This document presents the synthesised text for the application of the Convention between the Grand Duchy of Luxembourg and Barbados for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and on capital signed on 1 December 2009 (the “Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Luxembourg on 7 June 2017 and by Barbados on 24 January 2018 (the “MLI”).

The document was prepared on the basis of the MLI position of Luxembourg submitted to the Depository upon ratification on 9 April 2019 and of the MLI position of Barbados submitted to the Depository upon ratification on 21 December 2020. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Convention.

The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

#### **Article 4**

##### **Resident**

1. For the purposes of this Convention, the term "resident of a Contracting State" means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of management or any other criterion of a similar nature, and also includes that State and any local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income from sources in that State or capital situated therein.
2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:
  - a) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);

#### **Article 5**

##### **Permanent Establishment**

1. For the purposes of this Convention, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.
2. The term "permanent establishment" includes especially:
  - a) a place of management;
  - b) a branch;
  - c) an office;
  - d) a factory;
  - e) a workshop, and

- f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.
3. A building site or construction or installation project, or an installation or drilling rig or ship used for the exploration or exploitation of natural resources, constitutes a permanent establishment only if it lasts more than six months.
  4. Notwithstanding the preceding provisions of this Article, the term "permanent establishment" shall be deemed not to include:
    - a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
    - b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
    - c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
    - d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or of collecting information, for the enterprise;

    - f) the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs a) to e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.
  5. Notwithstanding the provisions of paragraphs 1 and 2, where a person - other than an agent of an independent status to whom paragraph 6 applies - is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.
  6. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.
  7. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

## **Article 6**

### **Income From Immovable Property**

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.
2. The term "immovable property" shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

## **Article 7**

### **Business Profits**

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.
2. Notwithstanding the provisions of paragraph 1, where an enterprise of a Contracting State which has a permanent establishment in the other Contracting State carries on in that other State business activities of the same or similar kind as those effected through that permanent establishment, then in order to prevent abuse, the profits of such activities may be attributable to the permanent establishment unless the enterprise shows that such activities could not have been reasonably undertaken by the permanent establishment.
3. Subject to the provisions of paragraph 4, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

4. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.
5. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 3 shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.
6. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.
7. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
8. Where profits include items of income which are dealt with separately in other Articles of this Convention, then the provisions of those Articles shall not be affected by the provisions of this Article.

## **Article 8**

### **Shipping, Inland Waterways Transport and Air Transport**

1. Profits from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.
2. Profits from the operation of boats engaged in inland waterways transport shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.
3. If the place of effective management of a shipping enterprise or of an inland waterways transport enterprise is aboard a ship or boat, then it shall be deemed to be situated in the Contracting State in which the home harbour of the ship or boat is situated, or, if there is no such home harbour, in the Contracting State of which the operator of the ship or boat is a resident.
4. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

## **Article 9**

### **Associated Enterprises**

1. Where
  - a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. **[Replaced by paragraph 1 of Article 17 of the MLI]** [Where a Contracting State includes in the profits of an enterprise of that State - and taxes accordingly - profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Convention and the competent authorities of the Contracting States shall if necessary consult each other.]

*The following paragraph 1 of Article 17 of the MLI replaces paragraph 2 of Article 9 of this Convention:*

#### ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a [Contracting State] includes in the profits of an enterprise of that [Contracting State] — and taxes accordingly — profits on which an enterprise of the other [Contracting State] has been charged to tax in that other [Contracting State] and the profits so included are profits which would have accrued to the enterprise of the first-mentioned [Contracting State] if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other [Contracting State] shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of [the Convention] and the competent authorities of the [Contracting States] shall if necessary consult each other.

### Article 10

#### Dividends

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed:

a) 0 per cent of the gross amount of the dividends if the beneficial owner is a company (other than a partnership) which holds directly at least 10 per cent of the capital of the company paying the dividends for an uninterrupted period of at least 12 months prior to the decision to distribute the dividends;

b) 15 per cent of the gross amount of the dividends in all other cases.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares, "jouissance" shares or "jouissance" rights, mining shares, founders' shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident, and in the case of Luxembourg the investor's share of the profit in a commercial, industrial, mining or craft undertaking, paid proportionally to the profits and by virtue of his capital outlay, as well as interest and payments on bonds, where, over and above the fixed rate of interest, a right of assignment is granted for supplementary interest varying according to the unretained earnings.
4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated or fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.
6. Where a company, which is a resident of a Contracting State having a permanent establishment in the other Contracting State, derives profits or income from that permanent establishment, the other Contracting State may not impose a tax on any remittances or deemed remittances of such profits or income by the permanent establishment to the company which is a resident of the first-mentioned Contracting State.

## **Article 11**

### **Interest**

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State shall be taxable only in that other State if such resident is the beneficial owner of the interest.
2. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. However, the term "interest" shall not include income referred to in Article 10. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.
3. The provisions of paragraph 1 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

## **Article 12**

### **Royalties**

1. Royalties arising in a Contracting State and beneficially owned by a resident of the other Contracting State shall be taxable only in that other State.
2. The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, discs or tapes for radio or television broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use, industrial, commercial, or scientific equipment, or for information concerning industrial, commercial or scientific experience.
3. The provisions of paragraph 1 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein,

or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

### **Article 13**

#### **Capital Gains**

1. Gains derived by a resident of a Contracting State from the alienation of immovable property referred to in Article 6 and situated in the other Contracting State may be taxed in that other State.
2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing independent personal services, including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise) or of such fixed base, may be taxed in that other State.
3. Gains from the alienation of ships or aircraft operated in international traffic, boats engaged in inland waterways transport or movable property pertaining to the operation of such ships, aircraft or boats, shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.
4. Gains from the alienation of any property other than that referred to in paragraphs 1, 2 and 3, shall be taxable only in the Contracting State of which the alienator is a resident.

### **Article 14**

#### **Independent Personal Services**

1. Income derived by a resident of a Contracting State in respect of professional services or other activities of an independent character shall be taxable only in that State. However, such income may be taxed in the other Contracting State in the following circumstances:

- a) if he has a fixed base regularly available to him in the other Contracting State for the purpose of performing his activities; in that case, only so much of the income as is attributable to that fixed base may be taxed in that other Contracting State; or
  - b) if his stay in the other Contracting State is for a period or periods amounting to or exceeding in the aggregate 183 days in any twelve-month period commencing or ending in the fiscal year concerned; in that case, only so much of the income as is derived from the activity exercised in the other Contracting State during the aforesaid period or periods may be taxed in that other State.
2. The term "professional services" includes especially independent scientific, literary, artistic, educational or teaching activities as well as the independent activities of physicians, lawyers, engineers, architects, dentists and accountants.

1. Where:
  - a) under *[paragraph 1 of Article 26 of this Convention]*, a person has presented a case to the competent authority of a *[Contracting State]* on the basis that the actions of one or both of the *[Contracting States]* have resulted for that person in taxation not in accordance with the provisions of *[the Convention]*; and
  - b) the competent authorities are unable to reach an agreement to resolve that case pursuant to *[paragraph 2 of Article 26 of the Convention]*, within a period of two years beginning on the start date referred to in paragraph 8 or 9 *[of Article 19 of the MLI]*, as the case may be (unless, prior to the expiration of that period the competent authorities of the *[Contracting States]* have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in *[Part VI of the MLI]*, according to any rules or procedures agreed upon by the competent authorities of the *[Contracting States]* pursuant to the provisions of *[paragraph 10 of Article 19 of the MLI]*.
2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 *[of Article 19 of the MLI]* because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in subparagraph b) of paragraph 1 *[of Article 19 of the MLI]* will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in subparagraph b) of paragraph 1 *[of Article 19 of the MLI]* will stop running until the suspension has been lifted.

<sup>2</sup> In accordance with paragraph 1 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI have effect with respect to this Convention with respect to cases presented to the competent authority of a Contracting State on or after 1 April 2021.

<sup>3</sup> In accordance with paragraph 2 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI apply to a case presented to the competent authority of a Contracting State prior to 1 April 2021 only to the extent that the competent authorities of both Contracting States agree that it will apply to that specific case.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in subparagraph b) of paragraph 1 [of Article 19 of the MLI], the period provided in subparagraph b) of paragraph 1 [of Article 19 of the MLI] shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

b) The arbitration decision shall be binding on both [Contracting States] except in the following cases:

i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

ii) if a final decision of the courts of one of the [Contracting States] holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 [of Article 19 of the MLI] shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 21 (Confidentiality of Arbitration Proceedings) and 25 (Costs of Arbitration Proceedings) [of the MLI]). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.

iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in subparagraph a) of paragraph 1 [of Article 19 of the MLI] shall, within two calendar months of receiving the request:

a) send a notification to the person who presented the case that it has received the request; and

b) send a notification of that request, along with a copy of the request, to the competent authority of the other [*Contracting State*].

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other [*Contracting State*]) it shall either:

- a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or
- b) request additional information from that person for that purpose.

7. Where pursuant to subparagraph b) of paragraph 6 [*of Article 19 of the MLI*], one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

- a) that it has received the requested information; or
- b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to subparagraph b) of paragraph 6 [*of Article 19 of the MLI*], the start date referred to in paragraph 1 [*of Article 19 of the MLI*] shall be the earlier of:

- a) the date on which both competent authorities have notified the person who presented the case pursuant to subparagraph a) of paragraph 6 [*of Article 19 of the MLI*]; and
- b) the date that is three calendar months after the notification to the competent authority of the other [*Contracting State*] pursuant to subparagraph b) of paragraph 5 [*of Article 19 of the MLI*].

9. Where additional information has been requested pursuant to subparagraph b) of paragraph 6 [*of Article 19 of the MLI*], the start date referred to in paragraph 1 [*of Article 19 of the MLI*] shall be the earlier of:

- a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to subparagraph a) of paragraph 7 [*of Article 19 of the MLI*]; and
- b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in subparagraph b) of paragraph 7 [*of Article 19 of the MLI*], such notification shall be treated as a request for additional information under subparagraph b) of paragraph 6 [*of Article 19 of the MLI*].

10. The competent authorities of the [Contracting States] shall by mutual agreement pursuant to [Article 26 of the Convention] settle the mode of application of the provisions contained in [Part VI of the MLI], including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

12. Notwithstanding the other provisions of [Article 19 of the MLI],
- a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by [the MLI] shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either [Contracting State];
  - b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States], a decision concerning the issue is rendered by a court or administrative tribunal of one of the [Contracting States], the arbitration process shall terminate.

*Article 20 (Appointment of Arbitrators) of the MLI*

1. Except to the extent that the competent authorities of the [Contracting States] mutually agree on different rules, paragraphs 2 through 4 [of Article 20 of the MLI] shall apply for the purposes of [Part VI of the MLI].

2. The following rules shall govern the appointment of the members of an arbitration panel:

- a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.
- b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph 1 of Article 19 [of the MLI]. The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a national or resident of either [Contracting State].
- c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the [Contracting States] and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

3. In the event that the competent authority of a [Contracting State] fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 [of Article 20 of the MLI] or agreed to by the competent authorities of the [Contracting States], a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration

of the Organisation for Economic Co-operation and Development that is not a national of either [Contracting State].

4. If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph 2 [of Article 20 of the MLI] or agreed to by the competent authorities of the [Contracting States], the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either [Contracting State].

*Article 21 (Confidentiality of Arbitration Proceedings) of the MLI*

1. Solely for the purposes of the application of the provisions of [Part VI of the MLI] and of the provisions of [the Convention] and of the domestic laws of the [Contracting States] related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under the provisions of [the Convention] related to the exchange of information and administrative assistance.

2. The competent authorities of the [Contracting States] shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations described in the provisions of [the Convention] related to exchange of information and administrative assistance and under the applicable laws of the [Contracting States].

*Article 22 (Resolution of a Case Prior to the Conclusion of the Arbitration) of the MLI*

For the purposes of [Part VI of the MLI] and the provisions of [the Convention] that provide for resolution of cases through mutual agreement, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the [Contracting States]:

- a) the competent authorities of the [Contracting States] reach a mutual agreement to resolve the case; or
- b) the person who presented the case withdraws the request for arbitration or the request for a mutual agreement procedure.

*Article 23 (Type of Arbitration Process) of the MLI*

*Final offer arbitration*

1. Except to the extent that the competent authorities of the [Contracting States] mutually agree on different rules, the following rules shall apply with respect to an arbitration proceeding pursuant to [Part VI of the MLI]:

- a) After a case is submitted to arbitration, the competent authority of each [Contracting State] shall submit to the arbitration panel, by a date set by agreement, a proposed resolution which addresses all unresolved issue(s) in the case (taking into account all agreements previously reached in that case between the competent authorities of the [Contracting States]). The proposed resolution shall be limited to a disposition of specific monetary amounts (for example, of income or expense) or, where specified, the maximum rate of tax charged pursuant to [the Convention], for each adjustment or similar issue in the case. In a case in which the competent authorities of the [Contracting States] have been unable to reach agreement on an issue regarding the conditions for application of a provision of [the Convention] (hereinafter referred to as a “threshold question”), such as whether an individual is a resident or whether a permanent establishment exists, the competent authorities may submit alternative proposed resolutions with respect to issues the determination of which is contingent on resolution of such threshold questions.
- b) The competent authority of each [Contracting State] may also submit a supporting position paper for consideration by the arbitration panel. Each competent authority that submits a proposed resolution or supporting position paper shall provide a copy to the other competent authority by the date on which the proposed resolution and supporting position paper were due. Each competent authority may also submit to the arbitration panel, by a date set by agreement, a reply submission with respect to the proposed resolution and supporting position paper submitted by the other competent authority. A copy of any reply submission shall be provided to the other competent authority by the date on which the reply submission was due.
- c) The arbitration panel shall select as its decision one of the proposed resolutions for the case submitted by the competent authorities with respect to each issue and any threshold questions, and shall not include a rationale or any other explanation of the decision. The arbitration decision will be adopted by a simple majority of the panel members. The arbitration panel shall deliver its decision in writing to the competent authorities of the [Contracting States]. The arbitration decision shall have no precedential value.

5. Prior to the beginning of arbitration proceedings, the competent authorities of the [Contracting States] shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under [the Convention], as well

as the arbitration proceeding under *[Part VI of the MLI]*, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the *[Contracting States]*, a person that presented the case or one of that person's advisors materially breaches that agreement.

*Article 25 (Costs of Arbitration Proceedings) of the MLI*

In an arbitration proceeding under *[Part VI of the MLI]*, the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the *[Contracting States]*, shall be borne by the *[Contracting States]* in a manner to be settled by mutual agreement between the competent authorities of the *[Contracting States]*. In the absence of such agreement, each *[Contracting State]* shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the *[Contracting States]* in equal shares.

*Paragraphs 2 and 3 of Article 26 (Compatibility) of the MLI*

2. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in *[Part VI of the MLI]* shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

3. *[Nothing]* in *[Part VI of the MLI]* shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the *[Contracting States]* are or will become parties.

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Convention or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States or of their local authorities, insofar as the taxation thereunder is not contrary to the Convention. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitation be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.
5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information upon request solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or fiduciary capacity or because it relates to ownership interests in a person.

et le Transport international de la Barbade

Excellence,

J'ai l'honneur de me référer à la Convention entre la Barbade et le Grand-Duché de Luxembourg tendant à éviter les doubles impositions et à prévenir la fraude fiscale en matière d'impôts sur le revenu et sur la fortune, signée à Londres, le 1<sup>er</sup> décembre 2009, (ci-après dénommée "la Convention"), et propose au nom du Gouvernement de la Barbade d'ajouter les précisions suivantes:

1. Il est convenu que l'autorité compétente de l'État requis fournit sur demande de l'autorité compétente de l'État requérant les renseignements aux fins visées à l'article 27.
2. L'autorité compétente de l'État requérant fournit les informations suivantes à l'autorité compétente de l'État requis lorsqu'elle soumet une demande de renseignements en vertu de la Convention, afin de démontrer la pertinence vraisemblable des renseignements demandés:
  - (a) l'identité de la personne faisant l'objet d'un contrôle ou d'une enquête;
  - (b) les indications concernant les renseignements recherchés, notamment leur nature et la forme sous laquelle l'État requérant souhaite recevoir les renseignements de l'État requis;
  - (c) le but fiscal dans lequel les renseignements sont demandés;
  - (d) les raisons qui donnent à penser que les renseignements demandés sont détenus dans l'État requis ou sont en la possession ou sous le contrôle d'une personne relevant de la compétence de l'État requis;
  - (e) dans la mesure où ils sont connus, les nom et adresse de toute personne dont il y a lieu de penser qu'elle est en possession des renseignements demandés;
  - (f) une déclaration précisant que l'État requérant a utilisé pour obtenir les renseignements tous les moyens disponibles sur son propre territoire, hormis ceux qui susciteraient des difficultés disproportionnées.

J'ai l'honneur de proposer que, si ce qui précède est acceptable pour le Gouvernement du Grand-Duché de Luxembourg, la présente lettre et votre confirmation constituent ensemble un Accord entre nos gouvernements lequel deviendra partie intégrante de la Convention à la date d'entrée en vigueur de la Convention.

Veuillez agréer, Excellence, l'assurance de ma plus haute considération.

Hubert WURTH
