18	Total gross remunerations:			
19	Amount of the tax credit: (10% of the total gross remunerations)			

1) A certificate from the National employment agency certifying the placement and continuation of employment must be attached for each employee.  
 2) The end of the period of employment refers to either the closing date of the financial year or the date on which the employment contract ended.  
 3) If the closing date of the financial year does not coincide with the end of the calendar year, the remunerations paid during the financial year must be entered.
