Payment in installments

Previous 1 Next

This case has two settlement-condition payments. One is configured for one time payment and the other for installment payment. Violating party can click respective buttons to pay one time or view installments.

Set-2: Steps

For settling a condition with one time payment:
- Click '**Pay**' to continue and view Case-payment information.
- Click '**Pay Now**' to process payment. Select payment method & click 'Make a Payment'. Provide account information/card details to continue & confirm.

- 'Payment Successful' page is displayed with transaction details.
- Once the violating party completes a payment, the record will be updated as paid and will be reflected to the MDE user in the fiscal/installment screen as below.

For settling a condition with installment payment:
- Click '**View Installments**' to view the list of installment amounts & due dates.
- Click '**Pay**' to view Case-Installment Payment information.
- Click '**Pay Now**' to process payment. Select payment method & click 'Make a Payment'. Provide account information/card details to continue & confirm.

- 'Payment Successful' page is displayed with transaction details.
- Once the violating party completes a payment for a specific installment, respective record will be updated as paid and will be reflected to the MDE user in the fiscal/installment screen as below.

Installment ID	Installment Invoice Number	Installment Amount	Installment Invoice Date	Is Paid?
44	10000098-05	1000.00	03/01/2022	No
43	10000098-04	1000.00	02/01/2022	No
42	10000098-03	1000.00	01/01/2022	No
41	10000098-02	1000.00	12/01/2021	Yes
40	10000098-01	1000.00	11/01/2021	Yes
