

Facts About...

Four Corners (MD-264)
State Master List

Site Location

The Four Corners site is located at the intersection of Jarrettsville Pike, Sweet Air Road and Paper Mill Road in Baltimore County, MD. The site is an intersection with three gas stations at the corners of the intersection or nearby.

The geographic coordinates are latitude 39.518433 degrees north and longitude 76.559256 degrees west.

Site History

In 1988 MDE was called to investigate contaminated well water by Mr. Frank Watkins, the owner of an ice cream shop located next to one of the gas stations. He complained that his well water had a gasoline odor for some time. The well was sampled by Baltimore County in 1987 and the results showed concentrations of compounds associated with gasoline.

Environmental Investigations

A Preliminary Assessment was conducted by MDE in 1988. Based on the information obtained in the assessment the site was referred to MDE's Underground Storage Tank/Leaking Underground Storage Tanks (UST/LUST) Division. Petroleum is excluded from the definition of hazardous substances by Section 7 of the Toxic Substances Control Act.

Current Status

The site has been moved to the "Formerly Investigated Sites" list and no further action is warranted.

Contact

For additional information, please contact the Land Restoration Program at 410-537-3440 or the Oil Control Program at 410-537-3442.
