

Notice of Public Information Meeting for Sewage Sludge Utilization Permit Application

In accordance with Section 9-234(e) of the Environment Article, Annotated Code of Maryland, Carroll County Commissioners have requested that the Maryland Department of the Environment (MDE) conduct a public information meeting regarding a Sewage Sludge Utilization Permit Application submitted by Synagro Central, LLC. The application is to land apply treated sewage sludge generated from various waste water treatment plants at agricultural rates on the Wilson Property (CA 48) located at 3510 Bullfrog Road, Taneytown in Carroll County.

Notice is given that MDE will hold a public information meeting regarding this application on Monday, October 23, 2023, at 1:00 p.m. in the Carroll County Office Building located at 225 North Center Street, Room 003, Westminster.

The purpose of the public information meeting is to provide an opportunity for the public to obtain information about this permit application and MDE's review process. Representatives for the applicant and MDE will be available to answer questions regarding the application.

MDE has provided the application to the County Commissioners of Carroll County and to the Carroll County Health Department. The application and supporting documents are available for public review at the County offices.

The application and other supporting documents are also available for public review on MDE's website at the following link:

<https://mde.maryland.gov/programs/land/RMP/Pages/sewagesludge.aspx>

Upon request, an interpreter for the deaf or hearing-impaired person will be provided.

Written comments regarding this application may be addressed to: **Mr. Tyler Abbott, Director, Land and Materials Administration, 1800 Washington Boulevard, Suite 610, Baltimore, Maryland 21230-1719.**

For further information regarding this notice or to request an interpreter, please contact Mr. Thomas Yoo, Chief, Biosolids Division, at 410-537-3314 or Thomas.Yoo@maryland.gov.
