

FREQUENTLY ASKED VIRTUAL PUBLIC INFORMATIONAL HEARING PARTICIPANT QUESTIONS.

- 1. What is a virtual hearing?** A virtual hearing is an on-line public informational hearing using a web conference platform allowing for public hearings to occur without a physical location. The virtual hearing provides the same opportunities as an in-person hearing, providing interested persons the opportunity to present information, comments or views concerning a particular project's application.
- 2. Do I need to register in order to attend the hearing?** Registration is not mandatory but highly recommended if you wish to provide a verbal statement. Registering will allow for better preparation and service throughout the hearing process. The information provided during registration will be used to notify you of our final decision and provide you with a copy of the hearing report.
- 3. What should I do if I need ADA accommodations?** Notify the assigned project manager at least 14 days prior to the hearing with the specific accommodation request.
- 4. Will the project presentation be available online?** Relevant public hearing materials will be posted online at <https://mde.maryland.gov/programs/Water/WetlandsandWaterways/Pages/Chesapeake-Utilities-Pipeline-Project.aspx> at least 14 days prior to the hearing. If requested at least 7 days prior to the hearing date, hard copies of the materials will be provided to the requesting party. These materials will remain posted on-line until at least the close of the comment period.
- 5. Is there a size limit on submission material?** Yes, submitted material should not be greater than 75 MB.
- 6. How do I participate?** Registration is not mandatory but highly recommended if you wish to provide a verbal statement. Registration sign-up can be located at <https://attendee.gotowebinar.com/register/9170295720967923726> or contacting the assigned MDE Project Manager, Mary Phipps-Dickerson at (410) 901-4033 or Mary.Phipps-Dickerson@maryland.gov.
