What To Do If You Change Equipment Or Have A Loss

If you change your equipment:

Please call Boost Mobile at 1-888-266-7848 or stop by your nearest Boost Mobile store to register your equipment.

If you have a loss:

Step 1: If the cause of loss is loss or theft, call Boost Mobile at 1-888-266-7848 to suspend your service.

If your claim is for a lost or stolen equipment, report the loss or theft to your network provider as soon as you can, as you will be responsible for any further network charges. Please make sure you ask your network provider to block the SIM card and the device in order to prevent both from being used by anyone within the network provider coverage area. If your device has an IMEI Number, the phone may be blacklisted to prevent it from being used in all networks supporting a restricted IMEI registry.

Step 2: Call Likewise Customer Care at 1-844-534-3099 to file a claim for all covered causes of loss.

Claims must be reported within 60 days of the incident or loss.
