• Access to T-Mobile 5G • **75 GB** High Speed Data • Productivity Filter • 5GB Int'l Roaming High-speed data • **T-Mobile SASE with T-SIM Secure (Add On) $10.49**	• $250 Laptop Subsidy • Access to T-Mobile 5G • **75 GB** High Speed Data • Productivity Filter • 5GB Int'l Roaming High-speed data • **T-Mobile SASE with T-SIM Secure (Add On) $10.49**	• $400 Laptop Subsidy • Access to T-Mobile 5G • **125 GB** High Speed Data • Productivity Filter • 5GB Int'l Roaming High-speed data • **T-Mobile SASE with T-SIM Secure (Add On) $15.00**	• $400 Laptop Subsidy • Access to T-Mobile 5G • **125 GB** High Speed Data • Productivity Filter • 5GB Int'l Roaming High-speed data • **T-Mobile SASE with T-SIM Secure Included**

Bundles Include:

- Devices from Leading Brands including HP, Dell, Lenovo, Microsoft, and more
- Pomeroy's renowned device lifecycle services, field dispatch, and secure network services
- T-Mobile's state-of-the-art 5G connectivity

Key Benefits:

- **Cost Savings:** Subsidized device pricing from $250-$400 and flexible monthly plans.
- **Built-in Security:** T-Mobile SASE with T-SIM Secure safeguards laptops at the chip level, while 5G helps eliminate risks associated with unsecured public Wi-Fi.
- **Streamlined Deployment:** Leverage Pomeroy's expertise in kitting, staging, and nationwide rollouts, backed by extensive experience and certifications with top device manufacturers for seamless integration and compatibility.

- **Device Lifecycle Management Services:** Extend your device's lifespan and ROI with our expert lifecycle management services. This includes upgrades, troubleshooting, secure data erasure, device monitoring, reporting, analytics, and remediation.
- **State-of-the-Art Facilities:** We utilize secure and advanced facilities for device configuration, imaging, and pre-loading, ensuring every device meets your security and functionality needs.
