Reviewing Artezean Handcrafted Tea

Here's the tea

For this quarter's Peer Review, the Peers decided to get drinks from Artezean Handcrafted Tea. At only three miles away from campus, Artezean serves high-quality boba, milk teas, and handcrafted drinks. We found that some Peers prefer "some" or "slight" sweetness, while Andrew prefers 100% sweetness. All of our drinks received 10/10 ratings from us!

While drinking our tea at an exceptional speed, we talked about our favorite experiences of being Peer Advisors and how we are going to miss each other once Bianca and Caroline graduate. Before heading home, we were able to meet some 2022 Orientation Leaders as Pawee joined them in a meeting.

If you're looking for great boba or milk tea near campus, we recommend checking out Artezean!
