

UN
2023 WATER
CONFERENCE

NEW YORK
22-24
MARCH
2023

Uniting the world for water action

January 2023

As the UN 2023 Water Conference approaches here are some key updates for how you can be part of this milestone event:

- Registration is now open for accredited non-governmental organizations, civil society organizations, academic institutions, the scientific community, the private sector and philanthropic organizations - [Register](#)
- Open call for Side Events has been extended, the new deadline is 20 January 2023 – [Apply](#)
- Thematic webinars to help stakeholders participate in the conference and contribute to the Water Action Agenda will be held on 17 and 18 January 2023 – [Register](#).

NOW OPEN | Registration for NGOs and other stakeholders

Registration is open from 9 January – 10 February 2023

Registration for non-governmental organizations, civil society organizations, academic institutions, the scientific community, the private sector and philanthropic organizations and other actors will be open from 9 January to 10 February, each accredited organization will be able to request registration up to 10 representatives.

- ECOSOC Accredited Organizations: Register [here](#)
- Specially Accredited Organizations: Register [here](#)

The results of the second round of Special Accreditation has been published [here](#).

SIDE EVENTS | Deadline extended to 20 January 2023

Side events can be organized in connection with the UN 2023 Water Conference, either in-person or virtually, by Member States, the UN system, Intergovernmental Organizations and accredited non-governmental stakeholders. Priority will be given to events organized by Member States and those organized in partnership by several organizations. Side event organizers are encouraged to contribute to the Water Action Agenda by announcing or showcasing their own voluntary commitments.
