

SESAME STREET for Military Families

I'm With You

As you watch the video *Coming Back from Temporary Duty*, sing along with Elmo and his family about how special military families are.

Military Families are special, you see.
We're braver than we ever thought we could be.
When we're far away, we count down each day.
And make each day count, every step of the way.
I'm with you, I'm with you.
I'm with you, to do do do.

We're in this together, even when we're apart...
We stay connected, in each others' heart.
Discovering courage we've had all along.
The love that we share is what keeps us strong.
I'm with you, I'm with you.

I'm with you, to do do do.
We're in this together, even when we're apart...
We stay connected, in each other's hearts.
With you, with you, with you, I'm with you.
