// Highlights

Add Color to Your Life

- Multicolor and Easy Dimming

Set the mood in your home to create the perfect ambiance.

Dimming range from 1% to 100%.

- App Control

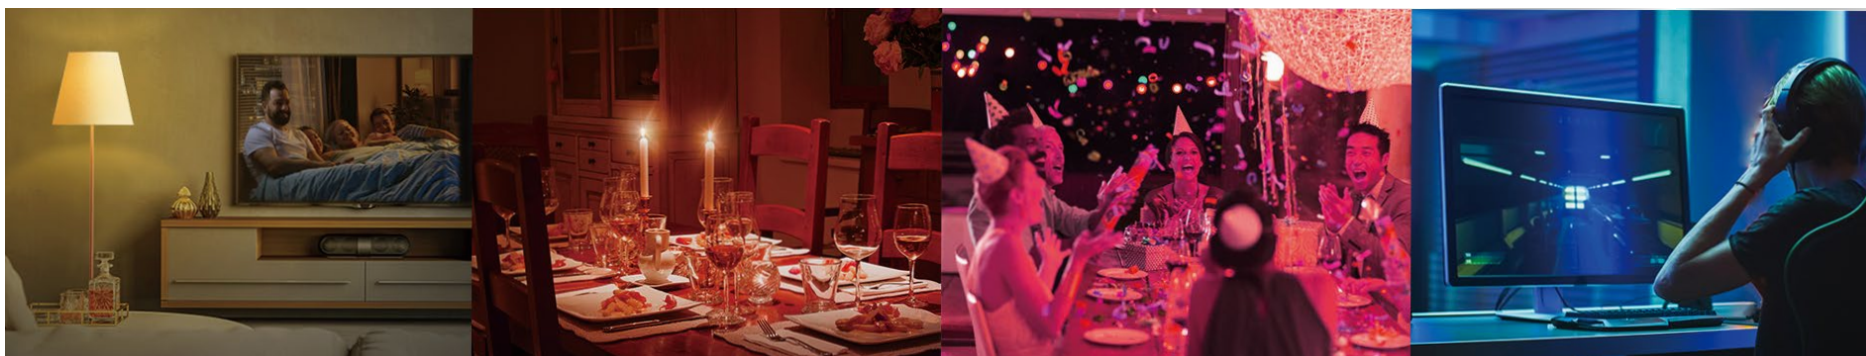

Manage all lights at your fingertips, easily like never before.

- Preset for convenience

Save and preset your favorite lightings for multiple scenarios.

Immersive Lighting for Any Scenario

// Highlights

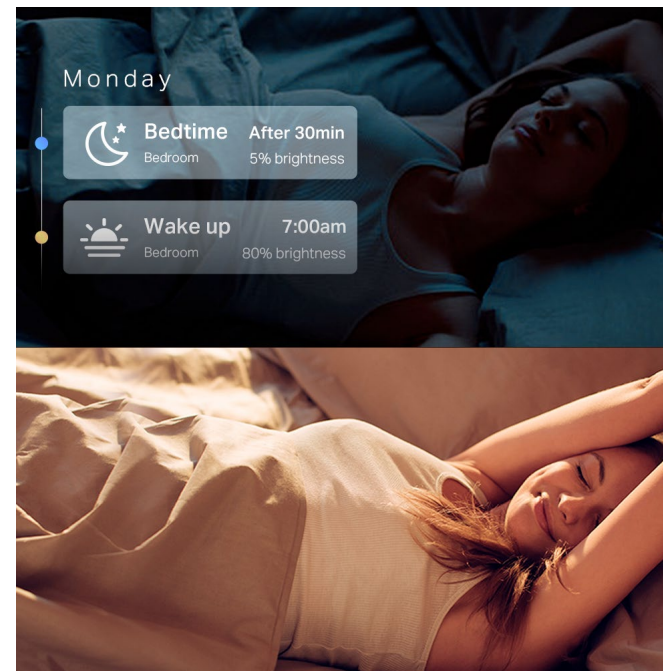

Free Up Your Hands with Voice Control

You can use Amazon Alexa or Google Assistant to control your devices with voice commands like "Hey Google, dim my bedroom lights".

Easily Manage Your Life with Schedule & Timer

Create regular schedules and countplans to turn on/off with the brightness you set. Sunrise and sunset modes allow the light to activate automatically according to your time zone.

// Highlights

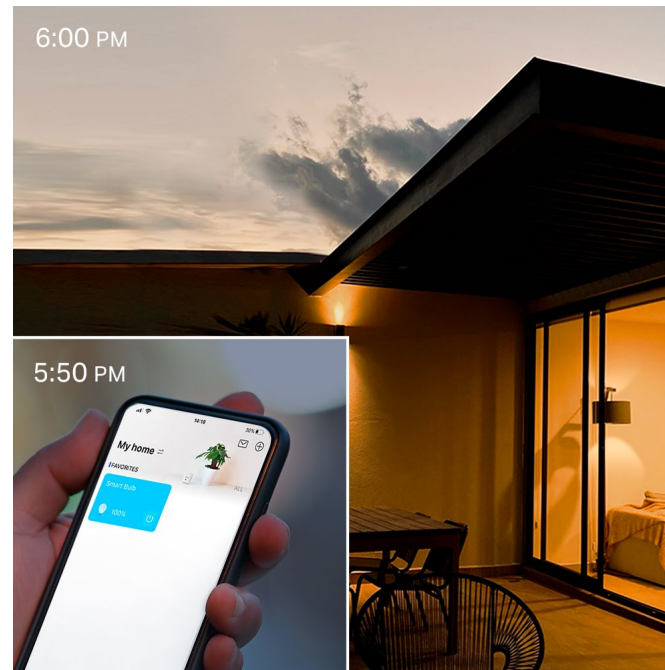

A Deterrent for Your Home

Intelligently simulates someone being home by turning the light on and off, makes it appear that someone is home to keep away people with ill intent.

Streamline Your Life with Remote Control

With TL13E and the Tapo app, you just need one tap on your smart phone to turn the light on/off wherever you are.

// Features

- **Multicolor** – Experience endless lighting possibilities with the multicolor light bulb. Choose from a wide array of colors, even dim to any brightness you desire for the perfect atmosphere
- **Remote Control** – Instantly turn the light on/off wherever you are through the Tapo app
- **Schedule & Timer** – Preset a schedule to automatically manage devices. Create countdown timer for your smart bulb
- **Voice Control** – Manage your smart bulb with voice commands via Amazon Alexa or the Google Assistant
- **Restore Last Light State** – Automatically goes to its previous power-off state
- **Away Mode** – Automatically turns bulb on and off at different times to give the appearance that someone is home
- **Easy Setup and Use** - No hub required, set up quickly and manage easily through the free app
- **Device Sharing** - Easily share management permissions with each member of your family
- **Energy Monitoring** – Track the real-time energy consumption with the Tapo app
- **Energy Saving** - Reduce energy use up to 85% without losing brightness or quality

// Specifications

Technical Specifications

- Form Factor: A60, E27
- Light Beam Angle: 220 °
- Voltage: 220 -240 V, 50/60 Hz
- Switching Cycles: 15,000
- Equivalent Incandescent Lamp Power: 60 W
- Color Temperature: 2,500-6,500 K
- Color Rendering Index: ≥ 80
- Warm-Up Time Up to 95%: ≤ 1 s
- Dimmable: Yes (via app and voice only)
- Brightness: 806 lumens
- Weighted Energy Consumption: 9 kWh/1000 h
- Wattage: 8.3 W
- SDCM: ≤ 6
- Lifetime: 25,000 Hrs
- Energy Class: F
- Standby Power: 0.4 W

General

- Package Contents:
Tapo Smart Light Bulb
Quick Start Guide
- Lamp Base: E27 fitting
- Weight: 60 g
- Dimensions: 115 x 60 mm
- Certifications: CE, ERP, RoHS, SAA, RCM
- Operating Temperature: -15 °C~40 °C
- Operating Humidity: 10%~90%RH, Non-condensing

Network

- Wi-Fi Protocol: IEEE 802.11b/g/n
- Wi-Fi Frequency: 2.4 GHz
