Sec. 171.1012. DETERMINATION OF COST OF GOODS SOLD. (a) In this section:

(1) "Goods" means real or tangible personal property sold in the ordinary course of business of a taxable entity.

(2) "Production" means construction, manufacture,

development, mining, extraction, improvement, creation, raising, or growth.

(3)(A) "Tangible personal property" means:

(i) personal property that can be seen, weighed, measured, felt, or touched or that is perceptible to the senses in any other manner;

(ii) films, sound recordings, videotapes, live and prerecorded television and radio programs, books, and other similar property embodying words, ideas, concepts, images, or sound, without regard to the means or methods of distribution or the medium in which the property is embodied, for which, as costs are incurred in producing the property, it is intended or is reasonably likely that any medium in which the property is embodied will be mass-distributed by the creator or any one or more third parties in a form that is not substantially altered; and

(iii) a computer program, as defined by Section [151.0031](#).

(B) "Tangible personal property" does not include:

(i) intangible property; or

(ii) services.

(b) Subject to Section [171.1014](#), a taxable entity that elects to subtract cost of goods sold for the purpose of computing its taxable margin shall determine the amount of that cost of goods sold as provided by this section.

(c) The cost of goods sold includes all direct costs of acquiring or producing the goods, including:

(1) labor costs;

(2) cost of materials that are an integral part of specific property produced;

(3) cost of materials that are consumed in the ordinary course of performing production activities;

(4) handling costs, including costs attributable to processing, assembling, repackaging, and inbound transportation costs;

(5) storage costs, including the costs of carrying, storing, or warehousing property, subject to Subsection (e);

(6) depreciation, depletion, and amortization, reported on the federal income tax return on which the report under this chapter is based, to the extent associated with and necessary for the production of goods, including recovery described by Section 197, Internal Revenue Code;

(7) the cost of renting or leasing equipment, facilities, or real property directly used for the production of the goods, including pollution control equipment and intangible drilling and dry hole costs;

(8) the cost of repairing and maintaining equipment, facilities, or real property directly used for the production of the goods, including pollution control devices;

(9) costs attributable to research, experimental, engineering, and design activities directly related to the production of the goods, including all research or experimental expenditures described by Section 174, Internal Revenue Code;

(10) geological and geophysical costs incurred to identify and locate property that has the potential to produce minerals;

(11) taxes paid in relation to acquiring or producing any material, or taxes paid in relation to services that are a direct cost of production;

(12) the cost of producing or acquiring electricity sold; and

(13) a contribution to a partnership in which the taxable entity owns an interest that is used to fund activities, the costs of which would otherwise be treated as cost of goods sold of the partnership, but only to the extent that those costs are related to goods distributed to the taxable entity as goods-in-kind in the ordinary course of production activities rather than being sold.

(d) In addition to the amounts includable under Subsection (c), the cost of goods sold includes the following costs in relation to the taxable entity's goods:

(1) deterioration of the goods;

(2) obsolescence of the goods;

(3) spoilage and abandonment, including the costs of rework labor, reclamation, and scrap;

(4) if the property is held for future production, preproduction direct costs allocable to the property, including costs of purchasing the goods and of storage and handling the goods, as provided by Subsections (c)(4) and (c)(5);

(5) postproduction direct costs allocable to the property, including storage and handling costs, as provided by Subsections (c)(4) and (c)(5);

(6) the cost of insurance on a plant or a facility, machinery, equipment, or materials directly used in the production of the goods;

(7) the cost of insurance on the produced goods;

(8) the cost of utilities, including electricity, gas, and water, directly used in the production of the goods;

(9) the costs of quality control, including replacement of defective components pursuant to standard warranty policies, inspection directly allocable to the production of the goods, and repairs and maintenance of goods; and

(10) licensing or franchise costs, including fees incurred in securing the contractual right to use a trademark, corporate plan, manufacturing procedure, special recipe, or other similar right directly associated with the goods produced.

(e) The cost of goods sold does not include the following costs in relation to the taxable entity's goods:

(1) the cost of renting or leasing equipment, facilities, or real property that is not used for the production of the goods;

(2) selling costs, including employee expenses related to sales;

(3) distribution costs, including outbound transportation costs;

(4) advertising costs;

(5) idle facility expense;

(6) rehandling costs;

(7) bidding costs, which are the costs incurred in the solicitation of contracts ultimately awarded to the taxable entity;

(8) unsuccessful bidding costs, which are the costs incurred in the solicitation of contracts not awarded to the

taxable entity;

(9) interest, including interest on debt incurred or continued during the production period to finance the production of the goods;

(10) income taxes, including local, state, federal, and foreign income taxes, and franchise taxes that are assessed on the taxable entity based on income;

(11) strike expenses, including costs associated with hiring employees to replace striking personnel, but not including the wages of the replacement personnel, costs of security, and legal fees associated with settling strikes;

(12) officers' compensation;

(13) costs of operation of a facility that is:

(A) located on property owned or leased by the federal government; and

(B) managed or operated primarily to house members of the armed forces of the United States; and

(14) any compensation paid to an undocumented worker used for the production of goods. As used in this subdivision:

(A) "undocumented worker" means a person who is not lawfully entitled to be present and employed in the United States; and

(B) "goods" includes the husbandry of animals, the growing and harvesting of crops, and the severance of timber from realty.

(f) A taxable entity may subtract as a cost of goods sold indirect or administrative overhead costs, including all mixed service costs, such as security services, legal services, data processing services, accounting services, personnel operations, and general financial planning and financial management costs, that it can demonstrate are allocable to the acquisition or production of goods, except that the amount subtracted may not exceed four percent of the taxable entity's total indirect or administrative overhead costs, including all mixed service costs. Any costs excluded under Subsection (e) may not be subtracted under this subsection.

(g) A taxable entity that is allowed a subtraction by this

section for a cost of goods sold and that is subject to Section 263A, 460, or 471, Internal Revenue Code, may capitalize that cost in the same manner and to the same extent that the taxable entity capitalized that cost on its federal income tax return or may expense those costs, except for costs excluded under Subsection (e), or in accordance with Subsections (c), (d), and (f). If the taxable entity elects to capitalize costs, it must capitalize each cost allowed under this section that it capitalized on its federal income tax return. If the taxable entity later elects to begin expensing a cost that may be allowed under this section as a cost of goods sold, the entity may not deduct any cost in ending inventory from a previous report. If the taxable entity elects to expense a cost of goods sold that may be allowed under this section, a cost incurred before the first day of the period on which the report is based may not be subtracted as a cost of goods sold. If the taxable entity elects to expense a cost of goods sold and later elects to capitalize that cost of goods sold, a cost expensed on a previous report may not be capitalized.

(h) A taxable entity shall determine its cost of goods sold, except as otherwise provided by this section, in accordance with the methods used on the federal income tax return on which the report under this chapter is based. This subsection does not affect the type or category of cost of goods sold that may be subtracted under this section.

(i) A taxable entity may make a subtraction under this section in relation to the cost of goods sold only if that entity owns the goods. The determination of whether a taxable entity is an owner is based on all of the facts and circumstances, including the various benefits and burdens of ownership vested with the taxable entity. A taxable entity furnishing labor or materials to a project for the construction, improvement, remodeling, repair, or industrial maintenance (as the term "maintenance" is defined in 34 T.A.C. Section 3.357) of real property is considered to be an owner of that labor or materials and may include the costs, as allowed by this section, in the computation of cost of goods sold. Solely for purposes of this section, a taxable entity shall be treated as the owner of goods being manufactured or produced by the entity under a

contract with the federal government, including any subcontracts that support a contract with the federal government, notwithstanding that the Federal Acquisition Regulation may require that title or risk of loss with respect to those goods be transferred to the federal government before the manufacture or production of those goods is complete.

(j) A taxable entity may not make a subtraction under this section for cost of goods sold to the extent the cost of goods sold was funded by partner contributions and deducted under Subsection (c)(13).

(k) Notwithstanding any other provision of this section, if the taxable entity is a lending institution that offers loans to the public and elects to subtract cost of goods sold, the entity, other than an entity primarily engaged in an activity described by category 5932 of the 1987 Standard Industrial Classification Manual published by the federal Office of Management and Budget, may subtract as a cost of goods sold an amount equal to interest expense. For purposes of this subsection, an entity engaged in lending to unrelated parties solely for agricultural production offers loans to the public.

(k-1) Notwithstanding any other provision of this section, the following taxable entities may subtract as a cost of goods sold the costs otherwise allowed by this section in relation to tangible personal property that the entity rents or leases in the ordinary course of business of the entity:

(1) a motor vehicle rental or leasing company that remits a tax on gross receipts imposed under Section [152.026](#);

(2) a heavy construction equipment rental or leasing company; and

(3) a railcar rolling stock rental or leasing company.

(k-2) This subsection applies only to a pipeline entity: (1) that owns or leases and operates the pipeline by which the product is transported for others and only to that portion of the product to which the entity does not own title; and (2) that is primarily engaged in gathering, storing, transporting, or processing crude oil, including finished petroleum products, natural gas, condensate, and natural gas liquids, except for a refinery

installation that manufactures finished petroleum products from crude oil. Notwithstanding Subsection (e)(3) or (i), a pipeline entity providing services for others related to the product that the pipeline does not own and to which this subsection applies may subtract as a cost of goods sold its depreciation, operations, and maintenance costs allowed by this section related to the services provided.

(k-3) For purposes of Subsection (k-2), "processing" means the physical or mechanical removal, separation, or treatment of crude oil, including finished petroleum products, natural gas, condensate, and natural gas liquids after those materials are produced from the earth. The term does not include the chemical or biological transformation of those materials.

(l) Notwithstanding any other provision of this section, a payment made by one member of an affiliated group to another member of that affiliated group not included in the combined group may be subtracted as a cost of goods sold only if it is a transaction made at arm's length.

(m) In this section, "arm's length" means the standard of conduct under which entities that are not related parties and that have substantially equal bargaining power, each acting in its own interest, would negotiate or carry out a particular transaction.

(n) In this section, "related party" means a person, corporation, or other entity, including an entity that is treated as a pass-through or disregarded entity for purposes of federal taxation, whether the person, corporation, or entity is subject to the tax under this chapter or not, in which one person, corporation, or entity, or set of related persons, corporations, or entities, directly or indirectly owns or controls a controlling interest in another entity.

(o) If a taxable entity, including a taxable entity with respect to which cost of goods sold is determined pursuant to Section 171.1014(e)(1), whose principal business activity is film or television production or broadcasting or the distribution of tangible personal property described by Subsection (a)(3)(A)(ii), or any combination of these activities, elects to subtract cost of goods sold, the cost of goods sold for the taxable entity shall be

the costs described in this section in relation to the property and include depreciation, amortization, and other expenses directly related to the acquisition, production, or use of the property, including expenses for the right to broadcast or use the property.

(t) If a taxable entity that is a movie theater elects to subtract cost of goods sold, the cost of goods sold for the taxable entity shall be the costs described by this section in relation to the acquisition, production, exhibition, or use of a film or motion picture, including expenses for the right to use the film or motion picture.

Sec. 171.1013. DETERMINATION OF COMPENSATION. (a) Except as otherwise provided by this section, "wages and cash compensation" means the amount entered in the Medicare wages and tips box of Internal Revenue Service Form W-2 or any subsequent form with a different number or designation that substantially provides the same information. The term also includes, to the extent not included above:

(1) net distributive income from a taxable entity treated as a partnership for federal income tax purposes, but only if the person receiving the distribution is a natural person;

(2) net distributive income from limited liability companies and corporations treated as S corporations for federal income tax purposes, but only if the person receiving the

distribution is a natural person;

(3) stock awards and stock options deducted for federal income tax purposes; and

(4) net distributive income from a limited liability company treated as a sole proprietorship for federal income tax purposes, but only if the person receiving the distribution is a natural person.

(b) Subject to Section 171.1014, a taxable entity that elects to subtract compensation for the purpose of computing its taxable margin under Section 171.101 may subtract an amount equal to:

(1) subject to the limitation in Subsection (c), all wages and cash compensation paid by the taxable entity to its officers, directors, owners, partners, and employees; and

(2) the cost of all benefits, to the extent deductible for federal income tax purposes, the taxable entity provides to its officers, directors, owners, partners, and employees, including workers' compensation benefits, health care, employer contributions made to employees' health savings accounts, and retirement.

(b-1) This subsection applies to a taxable entity that is a small employer, as that term is defined by Section 1501.002, Insurance Code, and that has not provided health care benefits to any of its employees in the calendar year preceding the beginning date of its reporting period. Subject to Section 171.1014, a taxable entity to which this subsection applies that elects to subtract compensation for the purpose of computing its taxable margin under Section 171.101 may subtract health care benefits as provided under Subsection (b) and may also subtract:

(1) for the first 12-month period on which margin is based and in which the taxable entity provides health care benefits to all of its employees, an additional amount equal to 50 percent of the cost of health care benefits provided to its employees for that period; and

(2) for the second 12-month period on which margin is based and in which the taxable entity provides health care benefits to all of its employees, an additional amount equal to 25 percent of

the cost of health care benefits provided to its employees for that period.

(c) Notwithstanding the actual amount of wages and cash compensation paid by a taxable entity to its officers, directors, owners, partners, and employees, a taxable entity may not include more than \$300,000, or the amount determined under Section 171.006, per 12-month period on which margin is based, for any person in the amount of wages and cash compensation it determines under this section. If a person is paid by more than one entity of a combined group, the combined group may not subtract in relation to that person a total of more than \$300,000, or the amount determined under Section 171.006, per 12-month period on which margin is based.

(c-1) Subject to Section 171.1014, a taxable entity that elects to subtract compensation for the purpose of computing its taxable margin under Section 171.101 may not subtract any wages or cash compensation paid to an undocumented worker. As used in this section "undocumented worker" means a person who is not lawfully entitled to be present and employed in the United States.

(d) A taxable entity that is a professional employer organization:

(1) may not include as wages or cash compensation payments described by Section 171.1011(k); and

(2) shall determine compensation as provided by this section only for the taxable entity's own employees that are not covered employees.

(e) Subject to the other provisions of this section, in determining compensation, a taxable entity that is a client that contracts with a professional employer organization for covered employees:

(1) shall include payments made to the professional employer organization for wages and benefits for the covered employees as if the covered employees were actual employees of the entity;

(2) may not include an administrative fee charged by the professional employer organization for the provision of the covered employees; and

(3) may not include any other amount in relation to the

covered employees, including payroll taxes.

(f) A taxable entity that is a management company:

(1) may not include as wages or cash compensation any amounts reimbursed by a managed entity; and

(2) shall determine compensation as provided by this section for only those wage and compensation payments that are not reimbursed by a managed entity.

(g) A taxable entity that is a managed entity shall include reimbursements made to the management company for wages and compensation as if the reimbursed amounts had been paid to employees of the managed entity.

(h) Subject to Section 171.1014, a taxable entity that elects to subtract compensation for the purpose of computing its taxable margin under Section 171.101 may not include as wages or cash compensation amounts paid to an employee whose primary employment is directly associated with the operation of a facility that is:

(1) located on property owned or leased by the federal government; and

(2) managed or operated primarily to house members of the armed forces of the United States.

Sec. 171.1014. COMBINED REPORTING; AFFILIATED GROUP ENGAGED IN UNITARY BUSINESS. (a) Taxable entities that are part of an affiliated group engaged in a unitary business shall file a combined group report in lieu of individual reports based on the combined group's business. The combined group may not include a taxable entity that conducts business outside the United States if 80 percent or more of the taxable entity's property and payroll, as determined by factoring under Chapter 141, are assigned to locations outside the United States. In applying Chapter 141, if either the property factor or the payroll factor is zero, the denominator is one. The combined group may not include a taxable entity that conducts business outside the United States and has no property or payroll if 80 percent or more of the taxable entity's gross receipts, as determined under Sections 171.103, 171.105, and 171.1055, are assigned to locations outside the United States.

(b) The combined group is a single taxable entity for purposes of the application of the tax imposed under this chapter, including Section 171.002(d).

(c) For purposes of Section 171.101, a combined group shall determine its total revenue by:

(1) determining the total revenue of each of its members as provided by Section 171.1011 as if the member were an individual taxable entity;

(2) adding the total revenues of the members determined under Subdivision (1) together; and

(3) subtracting, to the extent included under Section 171.1011(c)(1)(A), (c)(2)(A), or (c)(3), items of total revenue received from a member of the combined group.

(d) For purposes of Section 171.101, a combined group shall make an election to subtract either cost of goods sold or compensation that applies to all of its members, or \$1

million. Regardless of the election, the taxable margin of the combined group may not exceed the amount provided by Section 171.101(a)(1)(A) for the combined group.

(d-1) A member of a combined group may claim as cost of goods sold those costs that qualify under Section 171.1012 if the goods for which the costs are incurred are owned by another member of the combined group.

(e) For purposes of Section 171.101, a combined group that elects to subtract costs of goods sold shall determine that amount by:

(1) determining the cost of goods sold for each of its members as provided by Section 171.1012 as if the member were an individual taxable entity;

(2) adding the amounts of cost of goods sold determined under Subdivision (1) together; and

(3) subtracting from the amount determined under Subdivision (2) any cost of goods sold amounts paid from one member of the combined group to another member of the combined group, but only to the extent the corresponding item of total revenue was subtracted under Subsection (c)(3).

(f) For purposes of Section 171.101, a combined group that elects to subtract compensation shall determine that amount by:

(1) determining the compensation for each of its members as provided by Section 171.1013 as if each member were an individual taxable entity, subject to the limitation prescribed by Section 171.1013(c);

(2) adding the amounts of compensation determined under Subdivision (1) together; and

(3) subtracting from the amount determined under Subdivision (2) any compensation amounts paid from one member of the combined group to another member of the combined group, but only to the extent the corresponding item of total revenue was subtracted under Subsection (c)(3).

(g) Repealed by Acts 2007, 80th Leg., R.S., Ch. 1282, Sec. 37(3), eff. January 1, 2008.

include its activities for the same period used by the combined group.

(i) Each member of the combined group shall be jointly and severally liable for the tax of the combined group.

(j) Notwithstanding any other provision of this section, a taxable entity that provides retail or wholesale electric utilities may not be included as a member of a combined group that includes one or more taxable entities that do not provide retail or wholesale electric utilities if that combined group in the absence of this subsection:

(1) would not meet the requirements of Section 171.002(c) solely because one or more members of the combined group provide retail or wholesale electric utilities; and

(2) would have less than five percent of the combined group's total revenue derived from providing retail or wholesale electric utilities.

Sec. 171.1015. REPORTING FOR CERTAIN PARTNERSHIPS IN TIERED PARTNERSHIP ARRANGEMENT. (a) In this section, "tiered partnership arrangement" means an ownership structure in which any of the interests in one taxable entity treated as a partnership or an S corporation for federal income tax purposes (a "lower tier entity") are owned by one or more other taxable entities (an "upper tier entity"). A tiered partnership arrangement may have two or more tiers.

(b) In addition to the tax it is required to pay under this chapter on its own taxable margin, a taxable entity that is an upper tier entity may include, for purposes of calculating its own

taxable margin, the total revenue of a lower tier entity if the lower tier entity submits a report to the comptroller showing the amount of total revenue that each upper tier entity that owns it should include within the upper tier entity's own taxable margin calculation, according to the ownership interest of the upper tier entity.

(c) This section does not apply to that percentage of the total revenue attributable to an upper tier entity by a lower tier entity if the upper tier entity is not subject to the tax under this chapter. In this case, the lower tier entity is liable for the tax on its taxable margin.

(d) Section 171.002(d) does not apply to an upper tier entity if, before the attribution of any total revenue by a lower tier entity to an upper tier entity under this section, the lower tier entity does not meet the criteria of Section 171.002(d)(1) or (d)(2).

(e) The comptroller shall adopt rules to administer this section.

(a) Notwithstanding any other provision of this chapter, a taxable entity whose total revenue from its entire business is not more than \$20 million may elect to pay the tax imposed under this chapter in the amount computed and at the rate provided by this section rather than in the amount computed and at the tax rate provided by Section 171.002.

(b) The amount of the tax for which a taxable entity that elects to pay the tax as provided by this section is liable is computed by:

(1) determining the taxable entity's total revenue from its entire business, as determined under Section 171.1011;

(2) apportioning the amount computed under

Subdivision (1) to this state, as provided by Section [171.106](#), to determine the taxable entity's apportioned total revenue; and

(3) multiplying the amount computed under Subdivision (2) by the rate of 0.331 percent.

(c) A taxable entity that elects to pay the tax as provided by this section may not take a credit, deduction, or other adjustment that is not specifically authorized by this section.

(d) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1232, Sec. 15, eff. January 1, 2014.

(a) In apportioning margin, receipts excluded from total revenue by a taxable entity under Section 171.1011 may not be included in either the receipts of the taxable entity from its business done in this state as determined under Section 171.103 or the receipts of the taxable entity from its entire business done as determined under Section 171.105.

(b) In apportioning margin, receipts derived from transactions between individual members of a combined group that are excluded under Section 171.1014(c)(3) may not be included in the receipts of the taxable entity from its business done in this state as determined under Section 171.103, except that receipts ultimately derived from the sale of tangible personal property between individual members of a combined group where one member party to the transaction does not have nexus in this state shall be included in the receipts of the taxable entity from its business done in this state as determined under Section 171.103 to the extent that the member of the combined group that does not have nexus in this state resells the tangible personal property without substantial modification to a purchaser in this state. "Receipts ultimately derived from the sale" means the amount paid for the tangible personal property by the third party purchaser.

(c) In apportioning margin, receipts derived from transactions between individual members of a combined group that are excluded under Section 171.1014(c)(3) may not be included in

the receipts of the taxable entity from its entire business done as determined under Section [171.105](#).

Sec. 171.106. APPORTIONMENT OF MARGIN TO THIS STATE. (a) Except as provided by this section, a taxable entity's margin is apportioned to this state to determine the amount of tax imposed under Section [171.002](#) by multiplying the margin by a fraction, the numerator of which is the taxable entity's gross receipts from business done in this state, as determined under Section [171.103](#), and the denominator of which is the taxable entity's gross receipts from its entire business, as determined under Section [171.105](#).

(b) A taxable entity's margin that is derived, directly or indirectly, from the sale of management, distribution, or administration services to or on behalf of a regulated investment company, including a taxable entity that includes trustees or sponsors of employee benefit plans that have accounts in a regulated investment company, is apportioned to this state to determine the amount of the tax imposed under Section [171.002](#) by multiplying the taxable entity's total margin from the sale of services to or on behalf of a regulated investment company by a fraction, the numerator of which is the average of the sum of shares owned at the beginning of the year and the sum of shares owned at the end of the year by the investment company shareholders who are commercially domiciled in this state or, if the shareholders are individuals, are residents of this state, and the denominator of which is the average of the sum of shares owned at the beginning of the year and the sum of shares owned at the end of the year by all investment company shareholders. In this subsection, "regulated investment company" has the meaning assigned by Section 851(a), Internal Revenue Code.

(c) A taxable entity's margin that is derived, directly or indirectly, from the sale of management, administration, or

investment services to an employee retirement plan is apportioned to this state to determine the amount of the tax imposed under Section 171.002 by multiplying the taxable entity's total margin from the sale of services to an employee retirement plan company by a fraction, the numerator of which is the average of the sum of beneficiaries domiciled in Texas at the beginning of the year and the sum of beneficiaries domiciled in Texas at the end of the year, and the denominator of which is the average of the sum of all beneficiaries at the beginning of the year and the sum of all beneficiaries at the end of the year. In this section, "employee retirement plan" means a plan or other arrangement that is qualified under Section 401(a), Internal Revenue Code, or satisfies the requirements of Section 403, Internal Revenue Code, or a government plan described in Section 414(d), Internal Revenue Code. The term does not include an individual retirement account or individual retirement annuity within the meaning of Section 408, Internal Revenue Code.

(d) A banking corporation shall exclude from the numerator of the bank's apportionment factor interest earned on federal funds and interest earned on securities sold under an agreement to repurchase that are held in this state in a correspondent bank that is domiciled in this state. In this subsection, "correspondent" has the meaning assigned by 12 C.F.R. Section 206.2(c).

(e) Receipts from services that a defense readjustment project performs in a defense economic readjustment zone are not receipts from business done in this state.

(f) Notwithstanding Section 171.1055, if a loan or security is treated as inventory of the seller for federal income tax purposes, the gross proceeds of the sale of that loan or security are considered gross receipts.

(f-1) Notwithstanding Section 171.1055, if a lending institution categorizes a loan or security as "Securities Available for Sale" or "Trading Securities" under Financial Accounting Standard No. 115, the gross proceeds of the sale of that loan or security are considered gross receipts. In this subsection:

(1) "Broadcaster" means a taxable entity, not including a cable service provider or a direct broadcast satellite service, that is a:

(A) television station licensed by the Federal Communications Commission;

(d) A taxable entity that makes a deduction under this section shall file with the comptroller an amortization schedule showing the period for which the deduction is to be made. On the request of the comptroller, the taxable entity shall file with the comptroller proof of the cost of the equipment or proof of the equipment's operation in this state.

Sec. 171.109. DEDUCTION OF RELOCATION COSTS BY CERTAIN TAXABLE ENTITIES FROM MARGIN APPORTIONED TO THIS STATE. (a) In this section, "relocation costs" means the costs incurred by a taxable entity to relocate the taxable entity's main office or other principal place of business from one location to another. The term includes:

(1) costs of relocating computers and peripherals, other business supplies, furniture, and inventory; and

(b) Subject to Subsection (c), a taxable entity may deduct from its apportioned margin relocation costs incurred in relocating the taxable entity's main office or other principal place of business to this state from another state if the taxable entity:

(1) did not do business in this state before relocating the taxable entity's main office or other principal place of business to this state; and

(2) is not a member of an affiliated group engaged in a unitary business, another member of which is doing business in this state on the date the taxable entity relocates the taxable entity's main office or other principal place of business to this state.

(d) On the comptroller's request, a taxable entity that takes a deduction authorized by this section shall file with the comptroller proof of the deducted relocation costs.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1232 (H.B. 500), Sec. 13(a), eff. September 1, 2013.

For expiration of this section, see Subsection (e).

Sec. 171.111. TEMPORARY CREDIT ON TAXABLE MARGIN. (a) On the first report originally due under this chapter on or after January 1, 2008, a taxable entity must notify the comptroller in writing of its intent to take a credit in an amount allowed by this section on the tax due on taxable margin. The taxable entity may thereafter elect to claim the credit for the current year and future year at or before the original due date of any report due after January 1, 2008, until the taxable entity revokes the election or this section expires, whichever is earlier. A taxable entity may claim the credit for not more than 20 consecutive privilege periods beginning with the first report originally due under this chapter on or after January 1, 2008. A taxable entity may make only one election under this section and the election may not be conveyed, assigned, or transferred to another entity.

(b) The credit allowed under this section for any privilege period is computed by:

(1) determining the amount of the business loss carryforwards of the taxable entity under Section 171.110(e), as that section applied to annual reports originally due before January 1, 2008, that were not exhausted on a report originally due under this chapter before January 1, 2008;

(2) multiplying the amount determined under Subdivision (1) by:

(A) 2.25 percent for reports originally due on or after January 1, 2008, and before January 1, 2018; and

(B) 7.75 percent for reports originally due on or after January 1, 2018, and before September 1, 2027; and

(3) multiplying the amount determined under Subdivision (2) by 4.5 percent.

(c) The comptroller may request that the taxable entity submit, with each annual report in which the taxable entity is eligible to take a credit, information relating to the amount determined under Subsection (b)(1). The taxable entity shall submit in the form and content the comptroller requires any information relating to the amount determined under Subsection (b)(1) or any other matter relevant to the computation of the credit for which the taxable entity is eligible.

(d) A credit that a taxable entity is entitled to under this section may not be conveyed, assigned, or transferred. A taxable entity loses the right to claim the credit if the entity changes combined groups after June 30, 2007.

(d-1) A taxable entity, other than a combined group, may not claim the credit under this section unless the taxable entity was, on May 1, 2006, subject to the tax imposed by this chapter as this chapter existed on that date. A taxable entity that is a combined group may claim the credit for each member entity that was, on May 1, 2006, subject to the tax imposed by this chapter as this chapter existed on that date and shall compute the amount of the credit for that member as provided by this section.

(d-2) The amount of credit claimed, including any unused credit carried forward, may not exceed the amount of franchise tax due for the report. Unused credits may not be carried forward to reports originally due on or after September 1, 2027.

(e) This section expires September 1, 2027.

(a) For purposes of this section, "gross receipts" means all revenues reportable by a taxable entity on its federal tax return, without deduction for the cost of property sold, materials used, labor performed, or other costs incurred, unless otherwise specifically provided in this chapter.

(b) Except as otherwise provided by this section, a taxable entity shall use the same accounting methods to apportion margin as used in computing margin.

(c) A taxable entity may not change its accounting methods used to calculate gross receipts more often than once every four years without the express written consent of the comptroller. A

change in accounting methods is not justified solely because it results in a reduction of tax liability.

A credit carried back to a previous report is considered to be used after any other franchise tax credit is applied to that report.

(b) A credit that is not used may not be refunded.

(b) The amount of credit under this subchapter that is subject to recapture under this section is the same percentage of the amount originally awarded or allocated as the percentage of the amount of the federal tax credit originally awarded or allocated that is subject to recapture under federal law. This section does not prohibit a partner, member, or shareholder from holding an investment consisting only of a credit awarded under this subchapter or a federal tax credit.

(b) A taxable entity that makes an allocation under this section shall certify to the comptroller the amount of credit allocated to each constituent taxable entity or shall notify the comptroller that it has delegated the duty of certification to one constituent taxable entity that shall provide the notification to the comptroller. Each constituent taxable entity is entitled to claim the allocated amount subject to any restrictions prescribed by this subchapter.

Added by Acts 2023, 88th Leg., R.S., Ch. 811 (H.B. 1058), Sec. 1, eff. January 1, 2024.

Sec. 171.563. COMPLIANCE MONITORING. (a) The department shall monitor compliance with this subchapter in the same manner as the department monitors compliance with the federal tax credit program.

(b) The department shall report any instances of noncompliance with this subchapter to the comptroller.

Added by Acts 2023, 88th Leg., R.S., Ch. 811 (H.B. 1058), Sec. 1, eff. January 1, 2024.

Sec. 171.564. INCLUSION OF INFORMATION IN LOW INCOME HOUSING PLAN. The department shall include in the low income housing plan under Section 2306.0721, Government Code, information relating to the performance of the credit during the previous calendar year. The information must:

(b) Notwithstanding Sections 171.554(e) and (f) and subject to Subsection (e) of this section, for the first year the department issues allocation certificates or reserves credit amounts for the purpose of issuing allocation certificates, the department shall use \$5 million of the state housing credit ceiling to award credits to qualified developments to which this section applies.

(c) The owners of a qualified development to which this section applies who intend to apply for an allocation of credit under this section, or a representative of those owners, must notify the department of that intent before the deadline for the qualified development to be placed in service. If the owners or their representative provide the notice required by this subsection, the deadline for the qualified development to be placed in service is extended until:

(1) the deadline set by the department for submitting an application for an allocation under this section; or

Added by Acts 2009, 81st Leg., R.S., Ch. 1109 (H.B. 469), Sec. 1, eff. September 1, 2009.

Transferred, redesignated and amended from Government Code, Subchapter H, Chapter 490 by Acts 2013, 83rd Leg., R.S., Ch. 1003 (H.B. 2446), Sec. 1, eff. June 14, 2013.

Redesignated from Tax Code, Section 171.651 by Acts 2015, 84th Leg., R.S., Ch. 1236 (S.B. 1296), Sec. 21.001(46), eff. September 1, 2015.

Sec. 171.602. TAX CREDIT FOR CLEAN ENERGY PROJECT. (a) The comptroller shall adopt rules for issuing to an entity implementing a clean energy project in this state a credit against the tax imposed under this chapter. A clean energy project is eligible for a credit only if the project is implemented in connection with the construction of a new facility.

(b) The comptroller shall issue a credit to an entity operating a clean energy project after:

(1) the Railroad Commission of Texas has issued a certificate of compliance for the project to the entity as provided by Section 120.004, Natural Resources Code;

(2) the construction of the project has been completed;

(3) the electric generating facility associated with the project is fully operational;

(5) the owner or operator of the project has entered into an interconnection agreement relating to the project with the Electric Reliability Council of Texas.

(c) The total amount of the credit that may be issued to the entity designated in the certificate of compliance for a clean energy project is equal to the lesser of:

(1) 10 percent of the total capital cost of the project, including the cost of designing, engineering, permitting, constructing, and commissioning the project, the cost of procuring land, water, and equipment for the project, and all fees, taxes, and commissions paid and other payments made in connection with the project but excluding the cost of financing the capital cost of the project; or

(2) \$100 million.

(d) The total credit that a taxable entity may claim under this section for a report, including the amount of any carryforward credit, may not exceed the amount of franchise tax due by the

taxable entity for the report after any applicable tax credits. If a taxable entity is eligible to claim a credit that exceeds the limitation of this subsection, the taxable entity may carry the unused credit forward for not more than 20 consecutive reports. A carryforward is considered the remaining portion of the credit that the taxable entity does not claim in the current year because of the limitation.

(e) The entity designated in the certificate of compliance for a clean energy project may assign the credit to one or more taxable entities. A taxable entity to which the credit is assigned may claim the credit against the tax imposed under this chapter subject to the conditions and limitations of this subchapter.

(f) The comptroller may not issue a credit under this section before the later of:

(1) the expiration of an agreement under former Subchapter B or C, Chapter 313, regarding the clean energy project for which the credit is issued; or

(2) the expiration of an agreement under Subchapter T, Chapter 403, Government Code, regarding the clean energy project for which the credit is issued.

SUBCHAPTER M. TAX CREDIT FOR CERTAIN RESEARCH AND DEVELOPMENT ACTIVITIES

Sec. 171.651. DEFINITIONS. In this subchapter:

(1) "Internal Revenue Code" means the Internal Revenue Code of 1986 in effect on December 31, 2011, excluding any changes made by federal law after that date, but including any regulations adopted under that code applicable to the tax year to which the provisions of the code in effect on that date applied.

(2) "Public or private institution of higher education" means:

(A) an institution of higher education, as defined by Section 61.003, Education Code; or

(B) a private or independent institution of higher education, as defined by Section 61.003, Education Code.

(3) "Qualified research" has the meaning assigned by Section 41, Internal Revenue Code, except that the research must be conducted in this state.

(4) "Qualified research expense" has the meaning assigned by Section 41, Internal Revenue Code, except that the expense must be for research conducted in this state.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1266 (H.B. 800), Sec. 3, eff. January 1, 2014.

Sec. 171.652. ELIGIBILITY FOR CREDIT. A taxable entity is eligible for a credit against the tax imposed under this chapter in the amount and under the conditions and limitations provided by this subchapter.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1266 (H.B. 800), Sec. 3, eff. January 1, 2014.

Sec. 171.653. INELIGIBILITY FOR CREDIT FOR CERTAIN PERIODS.

(a) A taxable entity is not eligible for a credit on a report against the tax imposed under this chapter for qualified research expenses incurred during the period on which the report is based if the taxable entity, or a member of the combined group if the taxable entity is a combined group, received an exemption under Section 151.3182 during that period.

(b) A taxable entity's ineligibility under this section for a credit on a report for the period on which the report is based does not affect the taxable entity's eligibility to claim a carryforward

of unused credit under Section 171.659 on that report.

Added by Acts 2013, 83rd Leg., R.S., Ch. 1266 (H.B. 800), Sec. 3, eff. January 1, 2014.

Sec. 171.654. AMOUNT OF CREDIT. (a) Except as provided by Subsections (b), (c), and (d), the credit for any report equals five percent of the difference between:

(1) the qualified research expenses incurred during the period on which the report is based, subject to Section 171.655; and

(2) 50 percent of the average amount of qualified research expenses incurred during the three tax periods preceding the period on which the report is based, subject to Section 171.655.

(b) If the taxable entity contracts with one or more public or private institutions of higher education for the performance of qualified research and the taxable entity has qualified research expenses incurred in this state by the taxable entity under the contract during the period on which the report is based, the credit for the report equals 6.25 percent of the difference between:

(1) all qualified research expenses incurred during the period on which the report is based, subject to Section 171.655; and

(2) 50 percent of the average amount of all qualified research expenses incurred during the three tax periods preceding the period on which the report is based, subject to Section 171.655.

(c) Except as provided by Subsection (d), if the taxable entity has no qualified research expenses in one or more of the three tax periods preceding the period on which the report is based, the credit for the period on which the report is based equals 2.5 percent of the qualified research expenses incurred during that period.

(d) If the taxable entity contracts with one or more public or private institutions of higher education for the performance of qualified research and the taxable entity has qualified research expenses incurred in this state by the taxable entity under the contract during the period on which the report is based, but has no qualified research expenses in one or more of the three tax periods

preceding the period on which the report is based, the credit for the period on which the report is based equals 3.125 percent of all qualified research expenses incurred during that period.

(e) Notwithstanding whether the time for claiming a credit under this subchapter has expired for any tax period used in determining the average amount of qualified research expenses under Subsection (a)(2) or (b)(2), the determination of which research expenses are qualified research expenses for purposes of computing that average must be made in the same manner as that determination is made for purposes of Subsection (a)(1) or (b)(1). This subsection does not apply to a credit to which a taxable entity was entitled under Subchapter O, as that subchapter existed before January 1, 2008.

(f) The comptroller may adopt rules for determining which research expenses are qualified research expenses for purposes of Subsection (a) or (b) to prevent disparities in those determinations that may result from the taxable entity using different accounting methods for the period on which the report is based, as compared to any preceding tax periods used in determining the average amount of qualified research expenses under Subsection (a)(2) or (b)(2).

Added by Acts 2013, 83rd Leg., R.S., Ch. 1266 (H.B. 800), Sec. 3, eff. January 1, 2014.

Sec. 171.655. ATTRIBUTION OF EXPENSES FOLLOWING TRANSFER OF CONTROLLING INTEREST. (a) If a taxable entity acquires a controlling interest in another taxable entity or in a separate unit of another taxable entity during a tax period with respect to which the acquiring taxable entity claims a credit under this subchapter, the amount of the acquiring taxable entity's qualified research expenses equals the sum of:

(1) the amount of qualified research expenses incurred by the acquiring taxable entity during the period on which the report is based; and

(2) subject to Subsection (d), the amount of qualified research expenses incurred by the acquired taxable entity or unit during the portion of the period on which the report is based that

precedes the date of the acquisition.

(b) A taxable entity that sells or otherwise transfers to another taxable entity a controlling interest in another taxable entity or in a separate unit of a taxable entity during a period on which a report is based may not claim a credit under this subchapter for qualified research expenses incurred by the transferred taxable entity or unit during the period if the taxable entity is ineligible for the credit under Section 171.653 or if the acquiring taxable entity claims a credit under this subchapter for the corresponding period.

(c) If during any of the three tax periods following the tax period in which a sale or other transfer described by Subsection (b) occurs, the taxable entity that sold or otherwise transferred the controlling interest reimburses the acquiring taxable entity for research activities conducted on behalf of the taxable entity that made the sale or other transfer, the amount of the reimbursement is:

(1) subject to Subsection (e), included as qualified research expenses incurred by the taxable entity that made the sale or other transfer for the tax period during which the reimbursement was paid; and

(2) excluded from the qualified research expenses incurred by the acquiring taxable entity for the tax period during which the reimbursement was paid.

(d) An acquiring taxable entity may not include on a report the amount of qualified research expenses otherwise authorized by Subsection (a)(2) to be included if the taxable entity that made the sale or other transfer described by Subsection (b) received an exemption under Section 151.3182 during the portion of the period on which the acquiring taxable entity's report is based that precedes the date of the acquisition.
