This Privacy Policy covers the use of the website [<https://indee.tv>] services offered by Indee Technologies Inc. ("Services") and explains (i) what information we might collect from you; (ii) how we might use that information; (iii) how is your information shared with others; (iv) how do we protect your information and (v) how you can control the collection, correction and / or deletion of information provided by you.

This Privacy Policy does not apply to information we collect by other means (including offline) or from other sources. Our Services sometimes link to services run by other companies, which have their own privacy and cookies policies, and the information you give them will be subject to such third party's policies. Make sure you check such third party's policies to know how they will use your information. Capitalized terms that are not defined in this policy are defined in our Terms of Use.

Information We Collect

User-Provided Information:

When you register for an account to access the Services, you will provide us information about yourself, such as your name, e-mail address and entity details.

If you correspond with us by email, we may retain the content of your email messages, your email address and our responses. We also retain any messages you send through the Service.

Cookies Information: When you visit Indee, we may send one or more cookies - a small text file containing a string of alphanumeric characters - to your computer that uniquely identifies your browser and lets Indee help you log in faster and enhance your navigation through the site. A cookie may also convey anonymous information about how you browse the Service to us. A cookie does not collect personal information about you. Indee uses both session cookies and persistent cookies. A persistent cookie remains on your hard drive after you close your browser. Persistent cookies may be used by your browser on subsequent visits to the site. Persistent cookies can be removed by following your web browser's directions. A session cookie is temporary and disappears after you close your browser. You can reset your web browser to refuse all cookies or to indicate when a cookie is being sent. However, some features of the Service may not function properly if the ability to accept cookies is disabled.

Device Information: We collect information from and about the computers, phones, television, tablet and other web-connected devices that you use to access or integrate with our Services. The information we collect includes (i) device attributes that refers to information such as the operating system, hardware and software versions, signal strength, browser type, file names and types and plugins; (ii)

device operations that refers to information about operations and behaviors performed on the device which can help us distinguish humans from bots; (iii) unique identifiers and device IDs; (iv) device signals; and (v) network connection information.

Log File Information: Log file information is automatically reported by your browser each time you access a web page. When you register with or view our site, our servers automatically record certain information that your web browser sends whenever you visit any website. These server logs may include information such as your web request, Internet Protocol (“IP”) address, browser type, referring / exit pages and URLs, number of clicks, domain names, landing pages, pages viewed, and other such information.

Clear Gifs Information: When you use the Service, we may employ clear gifs (also known as web beacons) which are used to track the online usage patterns of our users anonymously. No personally identifiable information from your Indee account is collected using these clear gifs. In addition, we may also use clear gifs in HTML-based emails sent to our users to track which emails are opened by recipients. The information is used to enable more accurate reporting, improve the effectiveness of our marketing, and make Indee better for our users.

Others: Our third party partners, who provide certain services, receive your data when you visit or use the services they provide. We require each of these third parties to have lawful rights to collect, use and share your data. Make sure to check their privacy and cookie policy so you know how they will use your information.

How We Use Your Information

We use the personal information you submit to operate, maintain, and provide to you the features and functionality of the Service.

By providing Indee your information you consent to our using the email address to send you (i) emails in connection with certain clarifications / information required by us in order for you to access the Services; or (ii) Service-related notices, including any notices required by law, in lieu of communication by postal mail. You also agree that we may send you notifications of activity on the Service to the email address you give us. You can control the notifications you receive in your notification settings on the Service. We may also use your email address to send you other messages, such as newsletters, changes to features of the Service, or special offers. If you do not want to receive such email messages, you may opt out or change your preferences by emailing or contacting our support team. Opting out may prevent you from receiving email messages regarding updates, improvements, or new screenings. You may not opt out of some Service-related e-mails.

Any personal information or content that you voluntarily disclose for posting to the Service (including your user content), becomes available to Indee.

Following deactivation of your Member account, Indee may retain your profile information and user content for backup, archival, or audit purposes. We store data until it is no longer necessary to provide our Services, or until your Member account is deleted - whichever comes first. This is a case-by-case

determination that depends on things like the nature of the data, why it is collected and processed, and relevant legal or operational retention needs. If we offer an invitation referral service and you choose to use our invitation service to invite a friend to the Service, if they sign up on Indee, Indee stores their information to register your friend if your invitation is accepted, and to track the success of our invitation service.

Indee reserves the right, but has no obligation, to monitor the user content you post on the Service. We reserve the right to remove any such information or material for any reason or no reason, including without limitation if in our sole opinion such information or material violates, or may violate, any applicable law or our Terms of Use, or to protect or defend our rights or property or those of any third party. Indee also reserves the right to remove information upon the request of any third party.

We use cookies, clear gifs, and log file information to: (a) remember information so that you will not have to re-enter it during your visit or the next time you visit the site; (b) provide custom, personalized content and information; (c) monitor the effectiveness of our Service; (d) monitor aggregate metrics such as total number of visitors and traffic; (e) diagnose or fix technology problems reported by our users or engineers that are associated with certain IP addresses; and (f) help you efficiently access your information after you sign in.

If you provide information to such third parties, you give them permission to use it for the purpose of that Event and any other use that you approve. We cannot control third parties’ use of your information. If you do not want your information to be collected by or shared with a third party, you can choose not to participate in these Events.

Except as otherwise described in this Privacy Policy, Indee will not disclose personal information to any third party unless required to do so by law or subpoena or if we believe that such action is necessary to (a) conform to the law, comply with legal process served on us or our affiliates, or investigate, prevent, or take action regarding suspected or actual illegal activities; (b) to enforce our Terms of Use, take precautions against liability, to investigate and defend ourselves against any third-party claims or allegations, to assist government enforcement agencies, or to protect the security or integrity of our site; and (c) to exercise or protect the rights, property, or personal safety of Indee, our Users or others.
