Shipments to Canada

Please note that we are only able to ship to Canada by FedEx.

In order for us to be able to do this and clear customs we must have the following.

1. Import Permit
2. FedEx Address
3. E-mail to send you the signed USDA Health Certificate
4. USDA Health Certificates are now done on-line through USDA. Mare owner will be responsible for the cost of the Health Certificate once it is in process even if the shipment is canceled.

Please remember FedEx will not run on Saturday for Sunday Delivery or Sunday for Monday Delivery, and the USDA office is not open on Saturday, Sunday or holidays. FedEx shipment to Canada is \$450 and that includes the USDA Health Certificate.

Please contact me if you have any questions.

Kind Regards,
Jodi
