FOR SEMINARS, CONFERENCES AND ROOM RESERVATIONS

Thank you for choosing the Hotel Bad Schauenburg for your event. It is important to us to support you in every aspect of the organization and design. This works best if we receive the most important information from you in good time.

Definitive reservation

Your seminar is considered definitively reserved as soon as you have returned the signed offer or contract with the company stamp within the deadline set by us. You will then receive a counter-confirmation from us by e-mail.

Fine tuning

Please send us the following information **at least 14 days before the date of the event** the following information:

- Definite number of people
(The registered number of people is binding, any no-shows will be charged to the total bill)
- List of names of persons staying overnight
(Please let us know which persons are to receive the most advantageous rooms. Unless otherwise stated, the costs of the overnight stays will be charged to your total invoice)
- Arrival time of the participants (possibly flight number & landing time)
- The detailed program incl. times, coffee breaks, meals, etc.
- The desired setup and technical equipment for the conference/meeting rooms

Arrival

Sufficient parking spaces are available to guests of Bad Schauenburg free of charge. Please note that Bad Schauenburg is 5 km away from the hotel and is not connected to public transportation. The hotel's own chargeable shuttle (between 4 - 7 people) can be ordered subject to availability. We can of course organize a cab or minibus for you from one of our trusted partners, who offer special rates for our guests.

Overnight stay

Our new hotel rooms are ready for occupancy from 15:00. We therefore ask you to vacate your room by 11.00 a.m. at the latest on the day of departure to ensure that the next seminar guest has an equally pleasant arrival. For individual check-ins, we require the arrival times of the respective guests, especially those arriving after 10.00 pm.

Meals

Our renowned kitchen brigade is on hand every day to pamper you. We attach particular importance to fresh products of the best quality as well as healthy and light seasonal food. The respective meals/menus are presented to the whole group by our maître d'hôtel during the coffee break and aperitif, so that we can cater to individual wishes (vegetarians, allergy sufferers, diets, etc.). This tried-and-tested approach ensures a speedy service and completely satisfied participants.

Extension of opening hours restaurants & hotel bar

Our restaurants and the hotel bar (incl. lobby) close at 00:00 at the latest. If an extension is desired, this must be reserved 72 hours in advance. Costs per hour or part thereof CHF 300 per employee/hour (excluding consumption), until max. 02.00 hrs.

Terms of payment

The invoice is payable within 20 days without deduction from the invoice date. Please provide us with the exact billing address in good time (in accordance with the provisions of the VAT Ordinance). We reserve the right to demand a deposit or advance payment for larger booking volumes and for clients domiciled/residing abroad. Any reminder fees will be invoiced.

Total invoice

Unless otherwise agreed, all purchased cost units will be added to the organizer's total invoice. This also applies to services not purchased, cancellations at short notice, NO-SHOWS, etc.

GENERAL TERMS AND CONDITIONS 2025

FOR SEMINARS, CONFERENCES AND ROOM RESERVATIONS

Individual collections

In the case of individual collections for overnight stays and daily flat rates, the organizer is responsible for informing the participants in advance. Unpaid amounts will be added to the final invoice and are the responsibility of the organizer. Please note that meals and the associated drinks cannot be invoiced separately.

Fees charged by agencies

Third-party agency fees are not included in the quoted price; their costs are borne by the client. You benefit from our special conditions if you book directly.

Taxes

The guest tax for overnight guests is CHF 3.50 per person/night. The hotel reserves the right to adjust agreed prices due to changing rates of statutory taxes.

Cancellation conditions and no-shows

In the event of cancellation of your event, the following conditions apply:

No costs up to 61 days before the event

60 to 40 days before the event	30% of the total costs
39 to 20 days before the event	50% of the total costs
19 to 9 days before the event	75% of the total costs
from 8 days before the event	100% of the total costs

Cancellation of a definitively confirmed seminar requires written notification from the organizer. Bad Schauenburg will then inform you about the further procedure. Please note that we do not accept verbal cancellations. A postponement of your seminar is considered a cancellation.

The agreed service multiplied by the reservation confirmation for the specified number of persons is deemed to be the arrangement. In the event of a partial cancellation, this regulation applies in the corresponding proportion. If the number of people attending an event in the Birssaal, Ermitage Saal or Schauenburger Saal falls below 20, an additional flat rate of CHF 800.00 per day will be charged.

For small events where meals have been booked as 'à la carte', cancellations up to 72 hours before the event will be charged at CHF 85 per person in the 'Bad Schauenburg' gourmet restaurant and CHF 60 per person in the Lindenbeizli 'Zum Schauenegg'.

We can accommodate minor changes (rooms, participants, etc.) up to 72 hours before the start of the event. No shows etc. will be charged at 100%.
