## Econocom UK appoints Ben Wylie as Country Coordinator and CFO

London, 21<sup>st</sup> September 2022 – **Econocom UK**, a major European digital services provider with 49 years' experience, **announces the appointment of Ben Wylie as Country Coordinator and CFO**. Ben Wylie will replace Frances Weston as she will be leaving the Group by the end of September.

With 14 years of experience at Hertz and previously at PwC, Ben Wylie already built a strong experience in working internationally and across a number of different industries, driving performance improvement whilst delivering core technical finance capabilities and partnering with senior stakeholders.

In his new role, Ben Wylie will coordinate the TMF (Technology Management & Financing) activities, in synergy with TRAMS. He will focus his efforts on managing all operations of our TMF UK business to achieve the best results for the end of the year.

**Ben Wylie commented:** *"After 2 years in the company as Chief Financial Officer, it is with great enthusiasm that I am pursuing my Econocom journey as Country Coordinator. I am excited to contribute towards the company's aims of extending its activities whilst consolidating the UK business. I also look forward to developing further business opportunities with Trams, and strengthening relationships with our partners and clients. We excel in supporting them through their digital transformation by introducing sustainable financing solutions."*

**Angel Benguigui, Group Executive Managing Director, added:** *"I am confident in Ben's capacity to deliver an excellent job, knowing the professionalism and capabilities he demonstrated as CFO for UK since he joined Econocom."*

### **ECONOCOM**

Econocom is a digital general contractor. It conceives, finances and facilitates the digital transformation of large firms and public organisations. It has 49 years' experience and is the only market player offering 360° expertise through a combination of project financing, equipment distribution and digital services. The group operates in 16 countries, with over 8,200 employees. It made €2,505m in revenue in 2021. Econocom is listed on Euronext in Brussels, on the BEL Mid and Family Business indexes.
