WHAT ARE THE EU YOUTH ROUND TABLES?

A space for **regular, structured and meaningful dialogue** between youth and EU decision-makers

Each time a group of around **ten youth representatives** meets with a **Commissioner** to discuss a specific topic related to climate and sustainability

They take place twice a year and are hosted by the **EESC** in cooperation with **YFJ** and **GCE**

WHAT MAKES THEM UNIQUE?

Cocreation

The concept of the event has been developed with youth organisations to meet their needs

Agenda setting

Youth organisations take full ownership of the agenda and decide what topic they wish to discuss

Policy demands

Youth representatives are invited to draft concrete policy demands to be submitted to the Commissioner

Follow-up

A follow-up mechanism has been set up to ensure that the young people's demands are duly considered by the Commission

Executive Vice-President Frans Timmermans has endorsed the EU Youth Round Tables at the kick-off event in July 2021

HOW DOES THE PROCESS WORK?
