2. DECLARATION ON HONOUR

I, the undersigned, Mr/Ms (surname, first name, position)

in my capacity as the tenderer's representative,

declare on my honour that I have read Articles 136 and 141 of the EU's Financial Regulation and that neither the tenderer nor members of its administrative, management or supervisory bodies nor persons having powers of representation, decision or control over the tenderer are in an exclusion situation as defined in Articles 136(1) and 141(1) of that regulation.

Art. 136(1)

1. The authorising officer responsible shall exclude a person or entity referred to in Article 135(2) from participating in award procedures governed by this Regulation or from being selected for implementing Union funds where that person or entity is in one or more of the following exclusion situations:

(a) the person or entity is bankrupt, subject to insolvency or winding-up procedures, its assets are being administered by a liquidator or by a court, it is in an arrangement with creditors, its business activities are suspended, or it is in any analogous situation arising from a similar procedure provided for under Union or national law;

(b) it has been established by a final judgment or a final administrative decision that the person or entity is in breach of its obligations relating to the payment of taxes or social security contributions in accordance with the applicable law;

(c) it has been established by a final judgment or a final administrative decision that the person or entity is guilty of grave professional misconduct by having violated applicable laws or regulations or ethical standards of the profession to which the person or entity belongs, or by having engaged in any wrongful conduct which has an impact on its professional credibility where such conduct denotes wrongful intent or gross negligence, including, in particular, any of the following:

(i) fraudulently or negligently misrepresenting information required for the verification of the absence of grounds for exclusion or the fulfilment of eligibility or selection criteria or in the implementation of the legal commitment

(ii) entering into agreement with other persons or entities with the aim of distorting competition;

(ii) violating intellectual property rights;

(iv) attempting to influence the decision-making of the authorising officer responsible during the award procedure;

(v) attempting to obtain confidential information that may confer upon it undue advantages in the award procedure;

¹ If the tender is being submitted by a consortium, all sections of this form must be filled in and signed by the lead member of the consortium (which will also supply the financial identification form), and sections 1, 2 and 6 by each of the other consortium members.

² For natural persons: surname and first name plus any trading name.

³ For natural persons: date of birth and number of ID card or passport.

⁴ I acknowledge that submission of a tender means agreeing to receive electronic notifications - at the address given - of the outcome of the procedure, as well as necessary communications during the procedure, and that emails sent by the European Parliament (domain @ep.europa.eu or @europarl.europa.eu) to that address will be deemed to have been received by the tenderer and may therefore be invoked against that firm.

(d) It has been established by a final judgment that the person or entity is guilty of any of the following:

- (i) fraud, within the meaning of Article 3 of Directive (EU) 2017/1371 of the European Parliament and of the Council⁽⁴⁴⁾ and Article 1 of the Convention on the protection of the European Communities' financial interests, drawn up by the Council Act of 26 July 1995⁽⁴⁵⁾;
 - (ii) corruption, as defined in Article 4(2) of Directive (EU) 2017/1371 or active corruption within the meaning of Article 3 of the Convention on the fight against corruption involving officials of the European Communities or officials of Member States of the European Union, drawn up by the Council Act of 26 May 1997⁽⁴⁶⁾, or conduct referred to in Article 2(1) of Council Framework Decision 2003/568/JHA⁽⁴⁷⁾, or corruption as defined in other applicable laws;
 - (iii) conduct related to a criminal organisation as referred to in Article 2 of Council Framework Decision 2008/841/JHA⁽⁴⁸⁾;

 - (v) terrorist offences or offences linked to terrorist activities, as defined in Articles 1 and 3 of Council Framework Decision 2002/475/JHA⁽⁵⁰⁾, respectively, or inciting, aiding, abetting or attempting to commit such offences, as referred to in Article 4 of that Decision;
 - (vi) child labour or other offences concerning trafficking in human beings as referred to in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council⁽⁵¹⁾;
- (e) the person or entity has shown significant deficiencies in complying with main obligations in the implementation of a legal commitment financed by the budget, which has
- (i) led to the early termination of a legal commitment;
 - (ii) led to the application of liquidated damages or other contractual penalties; or
 - (iii) been discovered by an authorising officer, OLAF or the Court of Auditors following checks, audits or investigations;
- (f) it has been established by a final judgment or final administrative decision that the person or entity has committed an irregularity within the meaning of Article 1(2) of Council Regulation (EC, Euratom) No 2988/95⁽⁵²⁾;
- (g) it has been established by a final judgment or final administrative decision that the person or entity has created an entity in a different jurisdiction with the intent to circumvent fiscal, social or any other legal obligations in the jurisdiction of its registered office, central administration or principal place of business;
- (h) it has been established by a final judgment or final administrative decision that an entity has been created with the intent referred to in point (g).

Art. 141(1)

1. The authorising officer responsible shall reject from an award procedure a participant who:

- (a) is in an exclusion situation established in accordance with Article 136;
 - (b) has misrepresented the information required as a condition for participating in the procedure or has failed to supply that information;
 - (c) was previously involved in the preparation of documents used in the award procedure where this entails a breach of the principle of equality of treatment, including distortion of competition, that cannot be remedied otherwise.
- The authorising officer responsible shall communicate to the other participants in the award procedure the relevant information exchanged in the context of or resulting from the involvement of the participant in the preparation of the award procedure as referred to in point (c) of the first subparagraph. Prior to any such rejection the participant shall be given the opportunity to prove that its involvement in preparing the award procedure does not breach the principle of equality of treatment.

I hereby undertake to provide all supporting documents which could be specifically requested for the tenderer, all members of the consortium and all proposed subcontractors.

I also declare upon my honour that the tenderer will inform the European Parliament, without delay, of any situation considered a conflict of interest or which could give rise to a conflict of interest. I declare upon my honour that the tenderer has not granted and will not grant, has not sought and will not seek, has not attempted and will not attempt to obtain, and has not accepted and will not accept any advantage, financial or in kind, for or from any party whatsoever, constituting an illegal practice or involving corruption, either directly or indirectly, as an incentive or reward relating to the award or the performance of the contract.

I confirm that to the best of my knowledge the tenderer is in possession of the necessary administrative authorisations and has sufficient financial, economic, technical and professional capacity to perform the contract in compliance with its contractual provisions and taking

account of its scale. I undertake to supply any supporting documents specifically requested from me.

I hereby declare upon my honour that the information provided to the European Parliament as part of this negotiated procedure is true, accurate and complete.
