Motion for a resolution

### **Paragraph 9 should read:**

Acknowledges that Nord Stream has been carrying out the ongoing environmental impact assessment to be submitted to the “Parties of origin” as defined in the Espoo Convention (Russia, Finland, Sweden, Denmark and Germany) for their approval; urges the company to make the results of studies and the full set of research data concerning the ecological situation of the project site, collected during environmental investigations, available not only to those States, but also to HELCOM and to all littoral states;
