Proposal for a regulation

Article 10 – paragraph 1 b (new)

Text proposed by the Commission

Amendment

1 b. The use of dental amalgam shall be phased out by 31 December 2022.

By 1 July 2019, the Member States shall set out a national plan on the measures they intend to implement to phase out the use of dental amalgam.

Member States shall make their national plans electronically available to the public and shall transmit them to the Commission within one month following their adoption.
