Proposal for a directive
Annex – part A

Text proposed by the Commission

Single-use plastic products covered by
 Article 4 on consumption reduction

- Food containers, i.e. receptacles such as boxes, with or without a cover, used to contain food that is intended for immediate consumption from the receptacle either on-the-spot or take-away without any further preparation, such as food containers used for fast food, except beverage containers, plates and packets and wrappers containing food

Amendment

Single-use plastic products covered by
 Article 4 on consumption reduction

- ***Cups for beverages, including their covers and lids***
- Food containers, i.e. receptacles such as boxes, with or without a cover, used to contain food that is intended for immediate consumption from the receptacle either on-the-spot or take-away without any further preparation, such as food containers used for fast food, except beverage containers, plates and packets and wrappers containing food

The sale of food in a one-person portion size container, or in a container provided with cutlery, is an indication that the food in question is intended to be consumed immediately from the food container.

The concept of further preparation includes activities such as heating, adding boiling water, washing, slicing and cutting.

Examples of single-use plastic food containers covered by parts A, E and G of this Annex:

- ***Fast-food containers such as meal boxes and salad boxes with food for cold consumption***

– *Fast-food containers such as meal boxes and salad boxes with food for hot consumption, except where the food needs to undergo heating by the consumer after the purchase of the product*

– *Burger boxes, sandwich boxes, wrap boxes*

– *One-person portion sized food containers of fresh or processed food that does not need further preparation, such as fruits, vegetables, desserts or ice-creams, sold by single unit*

Examples of containers that are not single-use plastic food containers covered by parts A, E and G of this Annex:

– *Food containers with dried food or food sold cold that requires further preparation*

– *Containers containing food in more than one-person portion size quantities*

– *One-person portion sized food containers sold in more than one unit*

– *Yoghurt cups with an airtight lid which are sold for consumption at home*

– *Cups for beverages*
