Proposal for a directive

Article 3 – paragraph 1 – point 2

Text proposed by the Commission

Amendment

(2) 'single-use plastic product' means a product that is made wholly or partly from plastic and that is **not** conceived, designed or placed on the market to **accomplish, within its life** span, multiple trips or rotations **by being returned to the producer for refill or re-used for the same purpose for which it was conceived;**

(2) 'single-use plastic product' means a product that is made wholly or partly from plastic and that is conceived, designed or placed on the market to **be used over a short time** span, **without multiple refill or reuse** trips or rotations to **a** producer, **before it is discarded;**
