Report**Johan Van Overtveldt**Competition policy – annual report 2020
(2020/2223(INI))**A9-0168/2021****Motion for a resolution****Paragraph 18***Motion for a resolution*

18. Calls on the Commission and the Member States to launch a post COVID-19 roadmap for better targeted State aid in order to promote *competitiveness* and safeguard jobs; suggests that such a roadmap could include measures to *tackle market fragmentation and distortions due to an uneven playing field, an analysis of the impact of State aid on the internal market, and clear guidance on how best to use competition policy tools to foster the recovery*; urges the Commission, furthermore, to mainstream industrial, digital and green strategies in setting the future conditions for State aid;

Amendment

18. Calls on the Commission and the Member States to launch a post COVID-19 roadmap for better targeted State aid in order to promote *productivity* and safeguard jobs; suggests that such a roadmap could include measures to *allow public investment and public subsidies to be channelled into strategic industries and SMEs, as these can be crucial for the EU's reindustrialisation process, while helping to achieve the green transition targets, thereby promoting climate sustainability, employment and economic development*; urges the Commission, furthermore, to mainstream industrial, digital and green strategies in setting the future conditions for State aid;
