Proposal for a regulation**Article 26 – paragraph 3 a (new)***Text proposed by the Commission**Amendment*

3 a. Where a final distributor makes alcoholic beverages, with the exception of wine, sparkling wines and spirits drinks subject to GI (geographical indication), PGI (Protected geographical indication) or PDO (Protected designation of origin) under Union legislation, in sales packaging available on the market within the territory of a Member State:

(a) it shall ensure that from 1 January 2030, at least 10 % of those products are made available in reusable packaging within a system for re-use;

(b) it shall aim to ensure that from 1 January 2040, at least 25 % of those products are made available in reusable packaging within a system for re-use;

(c) shall meet the targets referred to in points (a) and (b) of this paragraph in a manner that the other alcoholic beverage category, as defined in Council Directive 92/83/EEC, fairly contributes to the reuse target;

(d) it shall ensure that brands owned by the final distributor contribute fairly to

the re-use target;

(e) it shall allow manufacturers the flexibility to achieve reuse targets across their portfolio.
