Packaging and packaging waste

(COM(2022)0677 – C9-0400/2022 – 2022/0396(COD))

**Proposal for a regulation****Article 22 – paragraph 2***Text proposed by the Commission**Amendment*

2. By way of derogation from paragraph 1, economic operators shall not place on the market packaging in the formats and for the purposes listed in point 3 of Annex V as of 1 January 2030.

2. By way of derogation from paragraph 1, economic operators shall not place on the market packaging in the formats and for the purposes listed in point 3 of Annex V as of 1 January 2030 ***unless they can demonstrate that at least 85%, by weight, of the packaging waste they place on the market for immediate consumption is separately collected for recycling at the point of sale, based on the predominant packaging material.***

***Economic operators subject to the obligation referred to in the first subparagraph shall report on a yearly basis to the Member States the weight of separately collected packaging waste per material. Each Member State shall provide aggregated data per separately collected packaging material to the Commission.***

*Justification*

*The amendment introduces a derogation to the bans proposed in article 22 and annex V, point 3, namely for food and beverage packaging separately collected for recycling. Such a proposal is complemented by a reporting obligation on HORECA operators.*

**Proposal for a regulation****Article 43 – paragraph 3 a (new)***Text proposed by the Commission**Amendment*

***3 a. By 1 January 2029, the final distributor making available on the market food and beverages filled and consumed within the premises in the HORECA sector shall ensure that separate collection systems are set up for the different fractions of packaging waste materials, to help the consumer to sort packaging waste.***

***Economic operators subject to the obligation referred to in paragraph 3 shall report on a yearly basis to the Member State the weight of separately collected packaging waste per material. Each Member State shall provide aggregated data per separately collected packaging material to the Commission.***

*Justification*

*The amendment introduces a separate collection obligation on the HORECA sector for food*

*and beverage packaging. This amendment complements the idea of a derogation to the bans proposed in article 22 and annex V when a certain separate collection for recycling target is attained.*
