A9-0014/2024

Plants obtained by certain new genomic techniques and their food and feed  
 (COM(2023)0411 – C9-0238/2023 – 2023/0226(COD))

**Proposal for a regulation**  
**Article 19 – paragraph 3 – point b**

*Text proposed by the Commission*

*Amendment*

(b) ***where appropriate***, a monitoring plan for environmental effects in accordance with Annex VII to Directive 2001/18/EC, including a proposal for the duration of the monitoring plan. ***This duration may be different from the duration of the authorisation. If***, based on the results of ***any release notified in accordance with Section 1***, the findings of the environmental risk assessment, the characteristics of the NGT plant, the characteristics and scale of its expected use and the characteristics of the receiving environment, in accordance with the implementing act adopted in accordance with Article 27, point (d), ***the applicant considers that the NGT plant does need a monitoring plan, the applicant may propose not to submit a monitoring plan.***

(b) a monitoring plan for environmental effects in accordance with Annex VII to Directive 2001/18/EC, including a proposal for the duration of the monitoring plan. ***In the event that the application is a request for renewal, the competent authority may propose***, based on the results of ***the monitoring report or considering*** the findings of the environmental risk assessment ***of any released Cat 2 NGT plant or food or feed containing or consisting of Cat 2 NGT plant***, the characteristics of the NGT plant, the characteristics and scale of its expected use and the characteristics of the receiving environment, in accordance with the implementing act adopted in accordance with Article 27, point (d), ***not to require the continuation of the*** monitoring plan
