Proposal for a directive
Article 3 – paragraph 4 a (new)

Text proposed by the Commission

Amendment

4a. To supplement the provisions on the use of certified units for residual emissions of a trader, the Commission shall adopt by 1 year after entry into force of this Directive a delegated act in accordance with Article 18 to establish a method for defining residual emissions, based on an emission reduction pathway compatible with limiting global warming to 1,5°C taking into account technological feasibility and in consultation with the European Scientific Advisory Board on Climate Change.
