**Motion for a resolution**

**Paragraph 1**

*Motion for a resolution*

*Amendment*

1. ***Strongly condemns the Constitutional Tribunal's ruling and the setback to women's SRHR in Poland; affirms that the ruling puts women's health and lives at risk; recalls that it has strongly criticised any legislative proposals or restrictions that aim to further prohibit and limit access to safe and legal abortion in Poland, which come close to banning access to abortion care in Poland, as most legal abortions are performed on the grounds of a severe and irreversible foetal defect or an incurable illness that threatens the foetus's life; recalls that universal access to healthcare and SRHR are fundamental human rights;***

1. ***Reiterates that the formulation and implementation of abortion policies, as with the protection and implementation of all SRHR, is the sole competence of the Member States;***
