B9-0141/2024

Motion for a European Parliament resolution on abolishing the European Green Deal

The European Parliament,

- having regard to Article 2 of the Treaty on European Union,
- having regard to Rule 143 of its Rules of Procedure,
- A. whereas significant shifts in geopolitical realities have occurred since the approval of the European Green Deal;
- B. whereas the ongoing farmer protests across the EU, which underscore the adverse repercussions of the European Green Deal and its subsequent strategies, negatively affect the daily functioning and future outlook of the European agricultural sector;
- C. whereas the European Green Deal and its subsequent strategies have crippling effects on European industry, leading to deindustrialisation;
- D. whereas there have been dramatic changes in the purchasing power of average households in the EU;
- 1. Emphasises the detrimental effects of the European Green Deal on the European agricultural sector, European industry and the purchasing power of ordinary households;
- 2. Urges the Council, the Commission and Parliament to reopen negotiations in order to abolish the European Green Deal.
