United in diversity

EN

Amendment 226

Patrizia Toia

Motion for a resolution

Paragraph 13

Motion for a resolution

13. Emphasises the importance of including in the new framework capacity-building measures to effectively reduce disaster risk and strengthen resilience;

Amendment

13. Emphasises the importance of including in the new framework capacity-building ***and bottom-up participatory*** measures to effectively reduce disaster risk and strengthen resilience ***and adaptation to climate change***;

Or. en

Amendment 227

Elly Schlein

Motion for a resolution

Paragraph 13

Motion for a resolution

13. Emphasises the importance of including in the new framework capacity-building measures to effectively reduce disaster risk and strengthen resilience;

Amendment

13. Emphasises the importance of including in the new framework capacity-building ***and bottom-up participatory*** measures to effectively reduce disaster risk and strengthen resilience ***and adaptation to climate change***;

Or. en

Amendment 228

Louis Michel, Charles Goerens

Motion for a resolution

Paragraph 13

Motion for a resolution

13. Emphasises the importance of

Amendment

13. Emphasises the importance of

including in the new framework capacity-building measures *to effectively reduce* disaster *risk* and *strengthen* resilience;

including in the new framework capacity-building *and disaster risk preparation* measures and *of strengthening* resilience;

Or. fr

Amendment 229
Ignazio Corrao

Motion for a resolution
Paragraph 13

Motion for a resolution

13. Emphasises the importance of including in the new framework capacity-building measures to effectively reduce disaster risk and strengthen resilience;

Amendment

13. Emphasises the importance of including in the new framework capacity-building measures to effectively reduce disaster risk, *climate migration* and strengthen resilience;

Or. en

Amendment 230
Elly Schlein

Motion for a resolution
Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Welcomes the fact that sustainable use of natural resources is strongly present and integrated in the outcome of the Open Working Group, including the foreseen goals on oceans and seas as well as on biodiversity and forests;

Or. en

Amendment 231
Catherine Bearder, Paavo Väyrynen, Maite Pagazaurtundúa Ruiz, Louis Michel, Gerben-Jan Gerbrandy

Motion for a resolution
Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Emphasises the importance of energy efficiency and renewable energy as crucial instruments for fighting climate-change and eradicating poverty, whilst acknowledging the important role that universal access to safe, clean affordable and reliable energy can play in development.

Or. en

Amendment 232
Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Welcomes the inclusion of a goal to take urgent action to combat climate change and its impacts in the report of the UN Open Working Group for Sustainable Development; stresses the need to limit absolute global warming to a global temperature increase not exceeding 2°C compared with pre-industrial levels, in order to sustain livelihoods, increase well-being and overcome poverty globally;

Or. en

Amendment 233
Patrizia Toia

Motion for a resolution
Paragraph 13 a (new)

Motion for a resolution

Amendment

13a. Urges the EU and its Member States to acknowledge and halt, through targeted legislative measures, the problem of land grabbing, which besides creating food insecurity, is also leading to mass deforestation, loss of wildlife and conflicts in local communities;

Or. it

Amendment 234

Elly Schlein

Motion for a resolution

Paragraph 13 b (new)

Motion for a resolution

Amendment

13b. Stresses that sustainable management of oceans provides economic and social benefit to humankind; calls for key action to ensure healthy oceans through an ecosystem-based approach to the management of all human activities an impact on oceans and the application of the precautionary principle, and to promote sustainable fisheries;

Or. en

Amendment 235

Maria Heubuch, Heidi Hautala, Judith Sargentini

on behalf of the Verts/ALE Group

Motion for a resolution

Paragraph 13 b (new)

Motion for a resolution

Amendment

13b. Welcomes the inclusion of a goal to protect, restore and promote sustainable

use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss as well as the inclusion of a goal to conserve and sustainably use the oceans, seas and marine resources for sustainable development in the report of the UN Working Group for Sustainable Development;

Or. en

Amendment 236
Elly Schlein

Motion for a resolution
Paragraph 13 c (new)

Motion for a resolution

Amendment

13c. Underlines that biodiversity is an essential element of earth's life support system, and is particularly threatened by climate change; calls for action to reduce the rate of loss of all natural habitats and of threatened species and to mainstream biodiversity into key policy areas, including agriculture and fisheries;

Or. en

Amendment 237
Elly Schlein

Motion for a resolution
Paragraph 13 e (new)

Motion for a resolution

Amendment

13e. Reiterates that current patterns of production and consumption are not sustainable and calls for key actions relating to sustainable consumption,

including promoting the use of energy and resource efficient and environmentally friendly products, gradually eliminating environmentally harmful subsidies and sustainable procurement;

Or. en

Amendment 238
Elly Schlein

Motion for a resolution
Paragraph 13 f (new)

Motion for a resolution

Amendment

13f. Similarly calls for key actions relating to sustainable production, including promoting innovative and resource-efficient production, corporate sustainability reporting, product life cycle assessment, sustainable construction, waste and chemicals management and the promotion of eco-entrepreneurship and eco-innovation.

Or. en

Amendment 239
Nirj Deva

Motion for a resolution
Heading II – Subheading 5

Motion for a resolution

Amendment

Food security, nutrition, sustainable agriculture, combating land degradation, water and sanitation

Food security, nutrition, sustainable agriculture, ***property rights and land tenure security***, combating land degradation, water and sanitation

Or. en

Amendment 240
Elly Schlein

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries ***leading to reduced loss and waste of food, transparent management of natural resources, adaptation to climate change***;

Or. en

Amendment 241
Nirj Deva

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries; ***points out that land tenure security for smallholders, who constitute 95 % of potential landowners in developing countries, stimulates local economies, increases food security, decreases migration and slows down urban sprawl, with a particular reference to slums***;

Amendment 242

Louis Michel, Charles Goerens

Motion for a resolution

Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries ***and the importance of better coordination between humanitarian and development aid;***

Or. fr

Amendment 243

Maria Heubuch, Heidi Hautala, Judith Sargentini

on behalf of the Verts/ALE Group

Motion for a resolution

Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with ***improving*** the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with ***improvements to*** the productivity of sustainable agriculture and fisheries, ***based on resources that are available to both current and future generations, strengthening small-scale producers and local structures of distribution and consumption, leading to reduced loss and wastage of food, to transparent, equitable,***

sustainable and participatory management of natural resources, to the protection of land rights, to adaptation to climate change, and the reduction of harmful subsidies;

Or. en

Amendment 244
Davor Ivo Stier

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security *is emerging* as a priority area for the new development *agenda*; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security *has emerged* as a priority area for the new *global* development *framework*; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries *leading to reduced loss and waste of food, transparent management of natural resources and adaptation to climate change*;

Or. en

Amendment 245
Patrizia Toia

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing *the problems of child malnutrition and 'hidden hunger', as well*

and fisheries;

as the linkages with improving the productivity of sustainable agriculture and fisheries;

Or. it

Amendment 246
Gerben-Jan Gerbrandy

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new *sustainable* development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Or. en

Amendment 247
Lola Sánchez Caldentey, Kostas Chrysogonos

Motion for a resolution
Paragraph 14

Motion for a resolution

14. Welcomes the fact that food and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Amendment

14. Welcomes the fact that food *sovereignty* and nutrition security is emerging as a priority area for the new development agenda; stresses, in this connection, the importance of addressing the linkages with improving the productivity of sustainable agriculture and fisheries;

Or. en

Amendment 248
Kathleen Van Brempt

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Stresses the importance of food security, nutrition and water and sanitation in realising the right to health for all;

Or. en

Amendment 249
Elly Schlein

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Underlines that additional efforts should be undertaken to eradicate hunger and end malnutrition, with special emphasis on children;

Or. en

Amendment 250
Nirj Deva

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Calls for the EU to advocate for the inclusion of property rights and land tenure security on the post-2015 agenda, taking into account that:

- 1.2 billion people worldwide inhabit property for which they do not hold

formal rights and live without permanent homes or access to land,

- the total extra-legal and unregistered wealth is estimated at over USD 9.3 trillion,

- land tenure security has the capacity to avert large -scale land acquisitions and contribute to the fight against land grabbing,

- land governance issues are closely linked with the key challenges of the 21st century, namely food security, energy scarcity, urban and population growth, environmental degradation, climate change, natural disasters and conflict resolution;

Or. en

Amendment 251

Maria Heubuch, Heidi Hautala, Judith Sargentini

on behalf of the Verts/ALE Group

Motion for a resolution

Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Calls once more for the EU to commit, in line with the recommendations of the UN Special Rapporteur on the Right to Food, to a fundamental shift towards agro-ecology as a way for countries to feed themselves and improve nutrition while addressing climate and poverty challenges;

Or. en

Amendment 252

Davor Ivo Stier, Bogdan Brunon Wenta

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Underlines that additional efforts should be undertaken to end malnutrition, with special emphasis on children;

Or. en

Amendment 253
Patrizia Toia

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Draws attention to the dangers of ‘hidden hunger’ – micronutrient deficiencies that can have an irreversible long-term impact on health – and to the socio-economic effects of the reduced productivity of those affected, which will impact on the economies of the countries concerned;

Or. it

Amendment 254
Maria Heubuch, Heidi Hautala

Motion for a resolution
Paragraph 14 e (new)

Motion for a resolution

Amendment

14e. Calls for the inclusion of food sovereignty principles, including i.a. the right to food that is healthy and culturally appropriate, policies supporting diversified food production in each region and country that value the producers of

food and protect them against land grabbing, violation of their rights, exploitation and violence, which avoid technologies such as genetic engineering that undermine food providers' ability to develop and pass on the knowledge and skills needed for localized food systems, that allow farmers to save and develop their seed in participative processes to continue to build resistance to climate change and to adapt to the demands of local environments and that grant local producers protection against dumping and financial speculation.

Or. en

Amendment 255
Patrizia Toia

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Calls on the need to go beyond food security and considers food as a basic human right, in order to be able to set a clear "Zero Hunger" goal and to end the scandal of hunger by 2025;

Or. en

Amendment 256
Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 14 b (new)

Motion for a resolution

Amendment

14b. Welcomes the inclusion of a goal to end hunger, achieve food security and

improved nutrition, and promote sustainable agriculture as well as the inclusion of a goal to ensure availability and sustainable management of water and sanitation for all in the report of the UN Open Working Group for Sustainable Development;

Or. en

Amendment 257
Ignazio Corrao

Motion for a resolution
Paragraph 14 a (new)

Motion for a resolution

Amendment

14a. Underlines that additional efforts should be undertaken to end malnutrition, with special emphasis on children as the fight against child malnutrition and the guarantee of universal access to adequate food and nutrition should remain one of the main objectives of the post-2015;

Or. en

Amendment 258
Patrizia Toia

Motion for a resolution
Paragraph 14 b (new)

Motion for a resolution

Amendment

14b. Stresses the importance to increase access to nutritious foods by endorsing targeted social safety nets and support for the poorest, especially focusing on pregnant or lactating women, infants under two and adolescents;

Or. en

Amendment 259
Elly Schlein

Motion for a resolution
Paragraph 14 b (new)

Motion for a resolution

Amendment

14b. Stresses the necessity of food security, nutrition and water and sanitation in realising the right to health for all;

Or. en

Amendment 260
Patrizia Toia

Motion for a resolution
Paragraph 14 c (new)

Motion for a resolution

Amendment

14c. Underlines the importance to increase support for improved access to local markets and the development of local food processing facilities;

Or. en

Amendment 261
Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 14 c (new)

Motion for a resolution

Amendment

14c. Underlines that additional efforts should be undertaken to end malnutrition and securing universal, fair and equitable

access to sufficient, safe, healthy, well-balanced, affordable, nourishing and culturally appropriate food , with special emphasis on children;

Or. en

Amendment 262
Patrizia Toia

Motion for a resolution
Paragraph 14 d (new)

Motion for a resolution

Amendment

14d. Emphasises the importance to create an enabling environment to improve access to and local availability of micronutrient-rich foods. It is fundamental to develop long-term strategies that ensure nutritious foods are available locally. It is necessary that international organizations, the donor community, national and regional governments invest more in sustainable and diversified productivity increases for a range of foods.

Or. en

Amendment 263
Patrizia Toia

Motion for a resolution
Paragraph 14 e (new)

Motion for a resolution

Amendment

14e. Stresses the importance for the less developed countries to shift from conventional, monoculture-based and high-external-input-dependent industrial production toward mosaics of sustainable, regenerative production systems that also

*considerably improve the productivity of
small-scale farmers;*

Or. en

Amendment 264
Louis Michel, Charles Goerens

Motion for a resolution
Paragraph 15

Motion for a resolution

15. Stresses the importance of implementing the Rio+20 commitments on land degradation;

Amendment

15. *Does not affect English version.
Linguistic correction to French original.*

Or. fr

Amendment 265
Davor Ivo Stier

Motion for a resolution
Paragraph 15

Motion for a resolution

15. Stresses the importance of implementing the Rio+20 commitments on land degradation;

Amendment

15. Stresses the importance of implementing the Rio+20 commitments on land degradation *and the FAO guidelines on the Right to Food and on Land Tenure;*

Or. en

Amendment 266
Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 15

Motion for a resolution

15. Stresses the importance of implementing the Rio+20 commitments on land degradation;

Amendment

15. Stresses the importance of implementing the Rio+20 commitments on land degradation ***calling for zero net land degradation by 2030 by prioritizing the preservation of fertile soil, improvement of water holding capacity, restoration of degraded soil, and through measures that prevent land conservation for agricultural use, while simultaneously ensuring the right to food and prioritization of local communities' rights and usage forms as well as their involvement in measures aiming at soil fertility improvement;***

Or. en

Amendment 267

Patrizia Toia

Motion for a resolution

Paragraph 15

Motion for a resolution

15. Stresses the importance of implementing the Rio+20 commitments on land degradation;

Amendment

15. Stresses the importance of implementing ***in every single country*** the Rio+20 commitments on land degradation ***and the FAO guidelines on the Right to Food and on Land Tenure;***

Or. en

Amendment 268

Louis Michel, Charles Goerens

Motion for a resolution

Paragraph 15 a (new)

Motion for a resolution

Amendment

15a. Stresses the need to strengthen good

governance in the land sector and to protect land from the ever growing risk of being grabbed by business consortiums;

Or. fr

Amendment 269

Paavo Väyrynen, Catherine Bearder, Gerben-Jan Gerbrandy

Motion for a resolution

Paragraph 15 a (new)

Motion for a resolution

Amendment

15a. Stresses the need to protect, restore and promote sustainable use of ecosystems, sustainable management of forests, combat desertification and halt and reverse land degradation and halt biodiversity loss;

Or. en

Amendment 270

Paavo Väyrynen, Catherine Bearder, Gerben-Jan Gerbrandy

Motion for a resolution

Paragraph 15 b (new)

Motion for a resolution

Amendment

15b. Points to the need to conserve and sustainably use the oceans, seas and marine resources for sustainable development;

Or. en

Amendment 271

Maria Heubuch, Heidi Hautala, Judith Sargentini

on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 16

Motion for a resolution

16. Points to the importance of considering access to safe drinking water, sanitation and integrated water management *as an emerging* priority;

Amendment

16. Points to the importance of considering *universal* access to safe drinking water, sanitation and integrated water management *leading to a significant increase of water use efficiency and a general prohibition of water deterioration due to water cycle's pollution through waste, pesticides, industry, fertilizers and mining activities as a* priority;

Or. en

Amendment 272
Paavo Väyrynen

Motion for a resolution
Paragraph 16 a (new)

Motion for a resolution

16a. Points out EU's need to take urgent action in reducing use of hazardous chemicals and preventing all kind of pollution

Amendment

Or. en

Amendment 273
Gerben-Jan Gerbrandy, Catherine Bearder

Motion for a resolution
Heading II – Subheading 5 a (new)

Motion for a resolution

Sustainable use, management and protection of natural resources

Amendment

Or. en

Amendment 274
Enrique Guerrero Salom

Motion for a resolution
Paragraph 16 a (new)

Motion for a resolution

Amendment

16a. Calls for all Post 2015 initiatives regarding education, health, nutrition and water, being among the most basic of needs, are inclusive and accessible to all;

Or. en

Amendment 275
Patrizia Toia

Motion for a resolution
Paragraph 16 a (new)

Motion for a resolution

Amendment

16a. Views the right to water as a universal, unalienable right and accordingly believes that the EU and its Member States should assist developing countries by ensuring their access to drinking water and basic sanitation;

Or. it

Amendment 276
Gerben-Jan Gerbrandy, Catherine Bearder

Motion for a resolution
Paragraph 16 b (new)

Motion for a resolution

Amendment

16b. Points to the importance of the sustainable use of natural resources,

including the sustainable management of oceans, seas and forests;

Or. en

Amendment 277

Gerben-Jan Gerbrandy, Catherine Bearder, Paavo Väyrynen

Motion for a resolution

Paragraph 16 c (new)

Motion for a resolution

Amendment

16c. Underlines that biodiversity is essential to the existence of human life and the well-being of societies, both directly and indirectly through the ecosystem services it provides; therefore calls for urgent action to halt the loss of biodiversity and stresses the need for better integration of biodiversity protection in key policy areas such as fisheries and agriculture;

Or. en

Amendment 278

Gerben-Jan Gerbrandy, Catherine Bearder

Motion for a resolution

Paragraph 16 d (new)

Motion for a resolution

Amendment

16d. Points out that current patterns of consumption and production are not sustainable; therefore highlights the need to increase resource productivity and sustainable procurement;

Or. en

Amendment 279
Gerben-Jan Gerbrandy

Motion for a resolution
Paragraph 16 f (new)

Motion for a resolution

Amendment

16f. Calls on the Commission and Member States to adopt without delay concrete measures for progressively phasing out all environmentally harmful subsidies by 2020, including subsidies on fossil fuels; Calls, in addition, for the internationally coordinated implementation of the Pittsburgh G-20 Summit objective of phasing out fossil fuel subsidies;

Or. en

Amendment 280
Patrizia Toia

Motion for a resolution
Heading II – Subheading 6

Motion for a resolution

Amendment

Health and *education*

Health and *learning*

Or. it

Amendment 281
Charles Goerens, Louis Michel

Motion for a resolution
Heading II – Subheading 6

Motion for a resolution

Amendment

Health and education

Health and education: ***tackle the "left-overs" of the "2015 agenda"***

Amendment 282
Elly Schlein

Motion for a resolution
Paragraph 17

Motion for a resolution

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting *equitable and universal health protection in the post-2015 agenda*;

Amendment

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting *the right to achieve the highest attainable standard for health as universal right belonging to everyone, and calls on the EU to push for an ambitious target on eradicating preventable maternal, new-born and child deaths*;

Amendment 283
Nirj Deva

Motion for a resolution
Paragraph 17

Motion for a resolution

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting *equitable and universal health protection* in the post-2015 agenda;

Amendment

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting *sustainable health systems* in the post-2015 agenda, *encouraging developing countries' governments to re-commit to the Abuja pledge agreed in 2001, by which 15% of their annual budget expenditure is to be directed towards the health workforce, health systems and access to medicines; points out that so far, only four countries*

(Rwanda, Botswana, Zambia and Togo) have met their commitments, with all other 45 countries lagging behind;

Or. en

Amendment 284

Charles Goerens, Louis Michel

Motion for a resolution

Paragraph 17

Motion for a resolution

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the post-2015 agenda;

Amendment

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the post-2015 agenda, ***and to look at what lessons can already be learnt from the Ebola crisis now raging in several West African countries;***

Or. fr

Amendment 285

Maria Heubuch, Heidi Hautala, Judith Sargentini

on behalf of the Verts/ALE Group

Motion for a resolution

Paragraph 17

Motion for a resolution

17. ***Takes the view that the health sector is crucial*** to the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the post-2015 agenda;

Amendment

17. ***Highlights that the Ebola humanitarian crisis gives further evidence on the crucial need to build up basic public health sector to support*** the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the post-2015 agenda;

Amendment 286
Louis-Joseph Manscour

Motion for a resolution
Paragraph 17

Motion for a resolution

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to ***focus on promoting equitable and universal health protection*** in the post-2015 agenda;

Amendment

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to ***promote*** in the post-2015 agenda ***universal health cover guaranteeing equitable health protection for all and access to high-quality medical care and services;***

Or. fr

Amendment 287
Davor Ivo Stier

Motion for a resolution
Paragraph 17

Motion for a resolution

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the ***post-2015 agenda;***

Amendment

17. Takes the view that the health sector is crucial to the economic and social development of societies; calls for the EU, therefore, to focus on promoting equitable and universal health protection in the ***new global framework, with a special emphasis on affordable child and maternal health and care;***

Or. en

Amendment 288
Kathleen Van Brempt

Motion for a resolution
Paragraph 17 a (new)

Motion for a resolution

Amendment

17a. Stresses the importance to ensure universal health risk protection that eliminates cost as a barrier to access healthcare;

Or. en

Amendment 289
Elly Schlein

Motion for a resolution
Paragraph 17 a (new)

Motion for a resolution

Amendment

17a. Recognises health as a human right and a global public good and therefore encourages the EU to put the emphasis on the international community, national governments and other stakeholders as duty-bearers;

Or. en

Amendment 290
Paul Rübig

Motion for a resolution
Paragraph 17 a (new)

Motion for a resolution

Amendment

17a. Stresses the importance of measures to support everyday hygiene for people in developing countries and thereby help to slow down or indeed halt the spread of epidemics; calls, therefore, for a particular focus on the provision of clean

*drinking water and the removal of
wastewater;*

Or. de

Amendment 291

**Catherine Bearder, Paavo Väyrynen, Maite Pagazaurtundúa Ruiz, Sophia in 't Veld,
Louis Michel**

Motion for a resolution

Paragraph 17 a (new)

Motion for a resolution

Amendment

17a. Highlights the huge importance of continuing to work on improving access to water, sanitation and hygiene as a cross-cutting issue that affects the attainment of other goals in the post-2015 agenda, including health, education and gender equality.

Or. en

Amendment 292

Elly Schlein

Motion for a resolution

Paragraph 17 b (new)

Motion for a resolution

Amendment

17b. Stresses the importance of the key notion of universal access to quality health care services, and to safe, effective, quality, and affordable medicines and vaccines for all, including universal access to sexual and reproductive health care services and education which must be youth-friendly; reiterates that early childhood development and sexual and reproductive health and rights are critical to prevent child mortality, unwanted pregnancies and sexually transmitted

infections such as HIV and AIDS;

Or. en

Amendment 293
Kathleen Van Brempt

Motion for a resolution
Paragraph 17 c (new)

Motion for a resolution

Amendment

17c. Stresses that the health goal should be measured through concrete targets such as 100% access to prevention, treatment, care and support and sexual and reproductive health care, and no one is denied health care

Or. en

Amendment 294
Elly Schlein

Motion for a resolution
Paragraph 17 c (new)

Motion for a resolution

Amendment

17c. Stresses that the health goal should be measured through concrete targets such as 100% access to prevention, treatment, care and support and sexual and reproductive health care, and no one is denied health care due to their HIV status, sexual orientation and identity or substance abuse;

Or. en

Amendment 295
Kathleen Van Brempt

Motion for a resolution
Paragraph 17 d (new)

Motion for a resolution

Amendment

17d. Stresses that health is often influenced by factors outside the health sector with many social determinants affecting mortality and morbidity globally including housing, transport, employment, social security, education, energy, water and sanitation, gender equality, hunger and malnutrition and these inter-relationships should be reflected in the framework;

Or. en

Amendment 296
Elly Schlein

Motion for a resolution
Paragraph 17 d (new)

Motion for a resolution

Amendment

17d. Calls the EU to put special emphasis on reaching the poor, most vulnerable and marginalised in the health goal in order to address discrimination, prevent the exclusion of vulnerable groups and implement universal health coverage for all;

Amendment 441

Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 30 a (new)

Motion for a resolution

Amendment

30a. Points out that a new set of indicators other than GDP is necessary in order to overcome new social and environmental challenges, and should include in particular the human development index, the Gini coefficient, the carbon footprint and the ecological footprint;

Or. en

Amendment 442

Kathleen Van Brempt

Motion for a resolution
Paragraph 30 b (new)

Motion for a resolution

Amendment

30b. Underlines that the framework needs to be evidence-based, include financial targets and robust monitoring and accountability mechanisms at all levels;

Or. en

Amendment 443

Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 30 b (new)

Motion for a resolution

Amendment

30b. Underlines that for a post-2015 framework to be successfully implemented, strong monitoring and accountability mechanisms must be put in place in order to track progress. The monitoring mechanisms should include a review process based on openness and transparency, including peer review approaches, should benefit from the necessary support from the UN system, and should involve civil society, stakeholders and the private sector; strongly recommends that the EU promotes discussions on the best indicators to measure development progress, inequalities and vulnerabilities;

Or. en

Amendment 444
Kathleen Van Brempt

Motion for a resolution
Paragraph 30 c (new)

Motion for a resolution

Amendment

30c. Stresses that sustainable development and progress should preferably be measured through welfare or wellbeing indicators rather than in terms of GDP;

Nirj Deva

Motion for a resolution
Paragraph 31 a (new)

Motion for a resolution

Amendment

31a. Highlights that the Sustainable Development Goals must be accompanied by step-by step monitoring and rigorous auditing, with results being thoroughly measured and made available to the development community, as well as to the public;

Or. en

Amendment 454
Joachim Zeller

Motion for a resolution
Paragraph 31 a (new)

Motion for a resolution

Amendment

31a. Believes that Policy Coherence for sustainable Development is a key tool for the implementation of the Post 2015 framework, and calls the EU to promote it with all partners as to improve the monitoring and review of their policies and ensure they are coherent with global poverty reduction and sustainable development objectives. To this end calls the EU to ensure that the necessary guidelines, impact assessments and monitoring and reporting mechanisms to make PCD a reality are included as commitments in the post-2015 framework;

Or. en

Amendment 455
Maria Heubuch, Heidi Hautala, Judith Sargentini
on behalf of the Verts/ALE Group

Motion for a resolution
Paragraph 31 a (new)

Motion for a resolution

Amendment

31a. Calls equally for the appointment of a standing rapporteur on the post-2015 framework who will closely monitor how Sustainable Development Goals (SDGs) are implemented in the remit of the post-MDG framework and who will draft a biennial SDGs report on the challenges that remain to be addressed to achieve these objectives;
