to the Commission**
Rule 144
Vilis Krištopans (P/E)

Subject: Trade liberalisation with Ukraine

1. What economic support has Ukraine received from trade liberalisation measures imposed by the EU, in monetary terms, in 2023 and the first half of 2024?
2. What has been the total amount of support and the amount of support resulting from liberalisation measures for eggs and egg products separately?
3. What is the methodology for calculating the economic aid, and what data are used?
