to the Commission**  
Rule 144  
**Anders Vistisen (Pfe)**

Subject: VAT on artists' rights and the EU's requirements for Denmark

This link provides background to the questions set out below:

*Regeringens forslag vil få prisen for din tv-pakke til at stige: 'Vil ramme forbrugerne' | BT Privatøkonomi* (Government proposal will push up the price of your TV package: 'It'll affect consumers' | *BT* newspaper, Private Finance section)<sup>1</sup>.

1. Under EU legislation, is Denmark legally obliged to impose VAT on artists' copyrights?
2. Do EU rules allow Member States to decide for themselves whether copyrights should be subject to VAT?
3. What consequences might there be from the EU if Denmark chooses not to introduce this VAT?
