

**Question for written answer E-000025/2025
to the Commission**
Rule 144
Fabio De Masi (NI)

Subject: Burden on low-income earners resulting from rising CO₂ prices

How does the Commission intend to ensure that low-income earners are not placed under a greater burden as a result of rising CO₂ prices in the transport and construction sectors¹?

Submitted: 7.1.2025
