

**Question for written answer E-003353/2019
to the Commission**
Rule 138
Catherine Bearder (Renew)

Subject: No-deal Brexit

Can the Commission detail the arrangements for notifications of infectious human, agricultural and wildlife diseases in the event of a no-deal Brexit?

Can it confirm what cross-border arrangements for the transport of human organs and blood products would need to be put in place in the event of a no-deal Brexit?
