

**Question for written answer E-001541/2023  
to the Commission**

Rule 138

**Lucia Ďuriš Nicholsonová** (Renew)

Subject: Commission plans for the revision of the Roadworthiness Package and Directive 2014/45/EU on periodic roadworthiness tests for motor vehicles and their trailers

1. Has the Commission started work on the revision of the Roadworthiness Package and its intrinsic component, Directive 2014/45/EU of the European Parliament and of the Council on periodic roadworthiness tests for motor vehicles and their trailers? If so, what is the current state of play of preparatory work on the revision of this package, and in particular of the aforementioned Directive, and in what timeframe (in which calendar quarter) does the Commission plan to submit a new legislative proposal to the European Parliament and the Council?
2. Is the Commission also addressing amendments to the legal regime for the periodic training and testing of roadworthiness and emission control technicians, which are regulated under Directive 2014/45/EU of the European Parliament and of the Council on periodic roadworthiness tests for motor vehicles and their trailers? If so, can the Commission indicate what changes it plans to make in this area compared to the legislation currently in force?
