

**Question for written answer E-003339/2023
to the Commission**

Rule 138

Pascal Arimont (PPE)

Subject: German flat-rate energy tax credit

Commissioner Gentiloni stated in his answer to parliamentary question E-001647/2023(ASW)¹ in August 2023 that the Commission still required some further clarifications regarding the German flat-rate energy tax credit. It has been 'engaging actively with the German authorities to complete its analysis.'

1. Has that analysis been completed in the meantime?
2. If it has, what conclusion has the Commission reached?
